COPYRIGHT POSITION STATEMENT AND DISCLAIMER

The Phoenix Journals are intended as a "real time" commentary on current events, how current events relate to past events and the relationships of both to the physical and spiritual destinies of mankind.

All of history, as we now know it, has been revised, rewritten, twisted and tweaked by selfishly motivated men to achieve and maintain control over other men. When one can understand that everything is comprised of "energy" and that even physical matter is "coalesced" energy, and that all energy emanates from God's thought, one can accept the idea that the successful focusing of millions of minds on one expected happening will cause it to happen.

If the many prophecies made over thousands of years are accepted, these are the "end times" (specifically the year 2000, the second millennium, etc.). That would put us in the "sorting" period and only a few short years from the finish line. God has said that in the end-times would come the WORD--to the four corners of the world--so that each could decide his/her own course toward, or away from, divinity-based upon TRUTH.

So, God sends His Hosts-Messengers-to present that TRUTH. This is the way in which He chooses to present it, through the Phoenix Journals. Thus, these journals are Truth, which cannot be copyrighted; they are compilations of information already available on Earth, researched and compiled by others (some, no doubt, for this purpose) which should not be copyrighted. Therefore, these journals are 'not copyrighted (except SIPAPU ODYSSEY which is "fiction").

The first sixty or so journals were published by America West Publishing which elected to indicate that a copyright had been applied for on the theory that the ISBN number (so necessary for booksellers) was dependent upon the copyright. Commander Hatonn, the primary author and compiler, insisted that no copyrights be applied for and, to our knowledge, none were.

If the Truth is to reach the four corners of the world, it must be freely passed on. It is hoped that each reader will feel free to do that, keeping it in context, of course.

REC #1 HATONN

SUN., SEP. 3, 1989; 6:45 A.M., YEAR 3, DAY 018

SUN., SEP. 3, 1989

COMMANDER HATONN INTRODUCING COMMANDER ASHTAR

Hatonn present. Greetings on this beautiful Sunday morn. With me today is Commander Ashtar. You have been aware of his presence for several days but he graciously waited the finishing of the manual segment. He wishes to speak to you ones and I would most appreciate it, Dharma, if you would entertain him.

LESSONS FOR RECEIVERS (HATONN)

Ones who receive from us of the Higher frequencies frequently cannot relate to the fragmentation of ones of us. Ones will say, "Oh, well the Hatonn I receive from is a different aspect of the one from which Dharma receives". When we are ready to combine instructions or correspondence there is no separation at all. Very often the thought format and wording is identical.

If ones will not accept the sharing, then you can be sure there is trouble afoot. Either ones are holding to their own ego apartheid or they fear their own messages might not be perfection.

Ones who pronounce, on a regular basis, dates, hours, events in unbending detail, for general publication are EGO bound. Ones who speak naught but generalized gobbledygook and pour sweet syrup over the "spectators" are not always pronouncing the original thought projection of the Sibor involved, but are cleaning it up to fit their human need and perception of that Sibor (teacher). So be it. You must look to all facets for Truth. If you pay attention, it matters not to you. Much Truth comes forth. You must be insightful.

We are here to participate in a most gargantuan task. There is no time left for even the consideration of building "church" houses and temples, as a for instance. The only temples you will build are those underground facilities to save the vehicles of God's already built temples. God is perfectly capable of building and creating his own temples and has done so--albeit the buildings get in great disrepair!

If a receiver's ego cannot submit to obscurity, or hoards the lessons and messages unto one outlet for gain or personal commendation, that one is in error. You see, all can be

separated in a most practical way through good business corporations. If one claims exclusivity (even if that one is exclusive) there is a gross problem for that one is trying to keep another from seeking truth elsewhere. We of the Higher Realms will never declare "one". We would never place such a burden on a human worker, as receiver, nor would we deprive other searchers, who cannot procure a specific receiver's writings, the ability to find truth.

Just suppose Hatonn pronounces that Dharma is the only one. She would immediately be set up and murdered. Further, in view of her trustworthiness, she would finally go mad with the burden of such responsibility. That, dear ones, is left to a Christ who might choose to walk your plane. One who self-proclaims to be a Christ is unsound indeed and most foolish.

I will tarry no longer, for I wish to have you receive of Ashtar--you have many times in the past, and I want you to become comfortable and familiar with his energy for he is critically involved otherwise and we respect his "time" constraints. Thank you, chela.

COMMANDER ASHTAR

Ashtar present. I trust you recognize me as we are elder friends, you and I. I move most rapidly so slow me up if need be, little sister.

Let there be no discomfort on your part that things do not present the possibility of joint communiqué at the present time. I can function even more astutely by utilizing the same receiver as Commander Hatonn. We work in total integration and it is only in effort of your comfort we would separate input. It is not necessary.

As information and instructions for the upcoming times will be sent forth from this sector of your planet. As regards this sector of your planet, I shall be experiencing alongside Aton, Sananda and Hatonn, as well as Korton, Soltec and selected Commanders (not to leave out Semjase, Asket, Leah and the other ladies in our Commands). I am not a bigot. We have no need to consider such things for ours is a very well balanced community within which we function.

We have now finished the hook-up of my circuit in your head, Dharma, I know you have undergone gross inconvenience in your human world. It is not your hearing which is so impaired, dear one, as it is the "downloading" of data from my "computer base data center". Sananda now has several who can and will work in total harmony as teams. I have not yet found such equality and you have offered, Commander Imnu, and I have accepted. You see, on this plane, you know of that which you are capable; it is the Earth

density and insecurity of flesh manifestation that gives you cause to deny your abilities in full measure.

I do not wish to burden you further with explanation for you are in full knowledge and I only give you the human input that you can relax about seeming dysfunction. You will be screened from conscious knowledge per our contract with you as a functioning human so that you never be placed in jeopardy.

It is very near the timing for we of the fleet to begin to make ourselves known in visible format. At this time it is still too dangerous, quite frankly, to you ones who are Earth-based. Yours is not to entertain the masses with space stories but rather to give forth instructions for evacuation and transition necessities. There has been such an abundance of silly nonsense put forth in efforts to discredit us. Hatonn trained you well, in that you are surrounded by dark brothers but they seldom get close enough to "count coup" on you.

It may seem most bothersome to clear thy spaces of our adversaries over and over, ad nauseam, but crucial and it is the only way to open the circuits to receive assistance and clarity in your own receiving.

We cause you to obtain books and written material for only one purpose, your protection. If, for instance, a survival guideline list is in perfection and already published, we will utilize that list so that you are not targeted as sole knowledge point. Further, it is our effort always to acknowledge contributions of ones in human format for their service. These records will be a portion of the very foundation of historical data for this evolution time period.

Some ones, such as Judas Iscariot, have waited long to have their Earth experience cleaned. Others have given gifts in lack of realization, to their fellow man; they have now arrived at the contribution mark of acknowledgement for their service. As a for instance, I would like to acknowledge ones Arthur Robinson, Ph.D. and Gary North, Ph.D., who have cared enough to compile a survival shelter blueprint to offer unto you ones, that you might have a chance to survive. I also honor their relations and attachments for there is great contribution of those ones, where there is such heavy workload.

Further, it gives us a parliament for expressing formal notice to the adversaries of you ones who are our base units. Every time the shield is allowed to be pierced, you become vulnerable. There are very few of you left who have not been tainted in some degree. It is always the association with Ego and the desire to please ones in your space, as well as gain accolades for self. There is naught wrong with appreciation of yourself or receiving appreciation and adoration of ones about you. It is the heart willingness to share and give all that is required, not always the actual giving of it.

YOU MUST BE WILLING TO FORFEIT ALL HUMAN NEED FOR ACKNOWLEDGEMENT AS IF YOU NEVER EXISTED AT ALL UPON YOUR PLANE. IT DOES NOT MEAN IT WILL BE THUS, IT MEANS YOU MUST BE PREPARED AND WILLING IF IT SHOULD BE REQUIRED.

WHEN WE NEED IMMEDIATE INTEGRATION OF INPUT, YOU MAY NOT TARRY EVEN A MOMENT IN SELF THOUGHT ABOUT THE SHARING.

IT CANNOT BE YOU WILL ONLY HAVE BRIEF MOMENTS IN WHICH TO "ACT". THY BROTHER'S LITERAL LIFE WILL BE AT STAKE. THERE MUST BE NO HESITATION TO GIVE INSTANTLY WHAT IS REQUIRED.

NO ROYALTY UP HERE

In these Higher Frequencies, we use labels only for your convenience. We recognize solely by energy patterns. We not only do not bear "Royal" titles, but find them abhorrent. A simple summons of "Ashtar" or "Hatonn" rings our frequency circuit "on switch". We only function in a post of expertise and duty, not one above another as entities. Ones who place such "Royal" titles upon our beings are doing so in self-Ego in order to pronounce their self-proclaimed importance for working with us.

There must, however, be means of description and sometimes definition of words have been misrepresented. For instance, the word "priestess" means, simply, a mediatory agent. You ones make it into some royal hoopla that means great splendor and degrades the label itself. "Commander" is only a designation of function; not some high label of your type of "pecking order". It designates an area of responsibility and a given segment of authority. No more and no less. Any energy that comes to you with such title as "His Royal Omnipotent Highness", watch out. Further, take care that you don't swallow what thy fellow hu-man tells you. Often labels are falsely placed by ones in power to cause you to denounce others.

Sometimes, even I am referred to as "Lord". That is a designation of master teacher or leader of prominent rank. You ones must have some method of identifying us and you only have "words" with which to do so. Unfortunately, the Dark Adversary has corrupted the words so that you have no longer a correct definition. Just as with "Jesus", that is a word that is Greek and means "The Anointed One". It was neither accurate for the one, Immanuel (who now bears the identifying' insignia of "Sananda"), nor His name. It has grown to be accepted as His name, and incorrectly so. It has further been so misused and abused that it rings untrue with the masses because of the incorrect "stories" attached to that name. His name was called Immanuel (spelled Jmmanuel). He has now fulfilled all initiations and has reached His perfection. Creator calls Him Sananda--is that not good enough for you?

He is known by many, many names. It matters not to the energy form by what name you label him for He responds to the energy vibration of the call. You must look beyond the limits of your insufficient manifestation. So it is.

Dharma, you have grown well, chela. Your brothers heard my message of two years ago and you have accepted your discipline; With you we are greatly pleased. We give great gratitude and appreciation. You, and the ones with you, have sacrificed in human ways, to fulfill your work. We honor, and salute them. Their works are of no less importance, it is only that as a "community team" your works had to have prerogative.

I give humble gratitude to you and Oberli and the precious ones who work at thy side.

I also give recognition and gratitude to the ones who have stepped aside and allowed the time for the learning process.

It will be no less burdensome. You will have even less time for participation in life games and associations, but for this have ye come to Earth at this time of transition.

I shall move to stand-by. Commander Hatonn indicates release of the frequency. Sananda gives blessings unto you beloved ones.

SALU, SALU, SALU

I TAKE LEAVE,

I AM ASHTAR

CHAPTER 2

REC #4 ASHTAR

SUN., SEP. 3, 1989 4:30 A.M. YEAR 3, DAY 018

SUN., SEP. 3, 1989

Thank you for your welcome, Dharma. Ashtar present in the service of the One of Radiance, one with The Radiant One, I think I note a tinge of concern that I may displace some of the Stature of our beloved Hatonn by my taking your fingers and circuitry, Not so, chela-when you have taken on a Commander's role for a specific purpose and your higher recognition is ATON, I think no-one will "steal away any thunder"! So be it.

WHO IS ASHTAR?

Who is Ashtar? I suppose great volumes of "stuff" have been written about Ashtar, the entity, I will endeavor to identify myself so that flourishes are not added by cherished ones, I have been called a "Christian Commander from Venus", a "Supreme Director in charge of all of the spiritual Program" for your planet. (That, I believe, came from your own beloved Gabriel Green).

I am honored, but I believe it would be more suitable to state that I am a dominant commander from the Etheric realms, Here, I always confront trouble, for your words do not actually define my position, I shall attempt at simple explanation.

I have been around for a very, very long time, under the sponsorship (I suppose is a good enough word) of Lord Michael and the Great Central Sun government of this, your galaxy. I suppose I rank overall second in command, I am not a discarnate energy (spirit); I am an etheric being. I have never taken human embodiment upon planet Earth, Many have inferred such; it is not true, I have been far too involved with affairs of the Universe to prattle around in human format on Earth, I serve at a very high involvement as a member of the Councils scattered throughout this Universal Sector, serving in an advisory capacity at strategic levels of intergalactic affairs. I share responsibility with Esu Immanuel (Jesus) Sananda for the airborne divisions of the Brotherhood of Light.

When I mention numbers of involved extraterrestrial persons involved in this Earth project, attached to my command, I usually lose my audience--for you have no concept of the massive fleets of ships involved. I speak in multiple millions. I, like my other compatriots who command massive fleets, am labeled for definition by the eat Central

Sun Hierarchy, "Ashtar", for that is the planet of my original manifestation. It is near your solar sister, Venus.

The Christ Teacher of this galaxy is my Beloved Commander in Chief, and His Word is my Law. To Him I have pledged my service. I am but a leader chosen by Him to fulfill the Program of Light for Earth Transition through the flight commands of the Great Brotherhood. Part of that mission is to return the Master to your planet and collect His brood, if you will. I commanded the ship which bore his soul energy to your place for His Earth Experience some two thousand years prior to present calendar.

There is a great quantity of mystery; it appears, regarding my personal information. That mystery regarding my person is of absolutely no consequence to me, but it seems of interest to some of you.

I am somewhat small of stature compared to Hatonn for I am only approximately seven of your counting "feet" in height. A physician would consider me quite anemic on your plane, for I am almost "white" in complexion. I am etheric, so I do not carry a dense format as do you of your density. I am human in conceptual form, pale of eyes (blue) of the Michael ray. Unlike Hatonn, I have hair upon my head, but in the etheric vision I probably might appear to have none. I do not know how to describe myself and my brothers, here, are having great sport at my expense.

I have a few good attributes, however. I am considered to be compassionate and understanding. I am impatient, quick of movement and totally passionate to unbending, regarding the teachings and principles of Our Radiant One, Sananda. I am probably considered severe only to a slightly lesser degree than is Hatonn. Unpleasant as this may be to you ones, Sananda is more severe than either of us. He is total perfection so there is no comparison to be made, but, you follow the Laws of The Creation and The God Law or you get some severe knocks upon thy ears!

ETHERIA/ETHERIANS

The fleets of Etheria stationed within the Sector known as Schare represent what is now called the Confederation of Planets for Peace. (By the way, your planet is more frequently referred to as Shan.) We are a branch of the greater Federation of Free Worlds which comprises the totality of the Space Commands throughout the Omniverse. While my own administration is local to the Commands of this solar system, I am not restricted to this sector in my service, for I represent our system in the councils of other galaxies and universes throughout the vast cosmos. From time to time I have served in positions of higher responsibilities in those councils.

I would like to further discuss "Etherians" for there is always misunderstanding thereof. I do not have a fleshly body like yours that is, bounded by flesh. But it is possible for me to

make my being quite visible to your optics by changes in my vibratory rate to coincide with a specific optical frequency. I am normally invisible to you just as are our ships.

I am often asked if other etheric beings are visible to me. Yes, of course, for those who serve closest to me will have equal etheric vibration patterns. I do not have optical vision of them as you would recognize it, but yes, of course, I see them.

I simply have evolved beyond the stage of physical and astral body form. Do not confuse "etheric" and "astral". I will discuss this subject later; there is a great difference. I do not possess a physical casing of the dense type such as yours of Earth human. I am definitely etheric, as are all people on other planets in this solar system-- please hold that very close in your memory--all other planets in this solar system. However, this does not mean that we are invisible to each other as we are to you under normal circumstances, and as you evolve into higher dimensions you will retain recognizable forms. You have been so filled with lies that you no longer have concept of Truth. We see each other and we live much as you do, but we do not have a dense physical casing which you possess. The benefits and comforts of this living are enormous. The compression and irritations of the fleshly envelope are most uncomfortable, I am told by my brothers who experienced there.

Unless we choose to convert the vibrational frequency of our bodies (or anything else about us) to one which is visible to your optics, we remain invisible to your people. Highly evolved people, with a good "psychic eye", as you might refer to it, can sometimes see us in vaporous form, although we may remain invisible to one in the same location. Further, if one can see us, it is usually intended and the conversion is so complete that a physical person encountering us will perceive that we too are physical.

Dharma, it is most difficult to believe you put all mine brethren through this interrogation. Perhaps Hatonn trained you too well. Well, I wish you to be as informed as possible, so let us continue.

We have all the elements you recognize from your planet and many, many more. The etheric form of these metals differs in atomic and molecular structure--just as do we as beings, defined by the term "etheric". For example, the distance between the nucleus and the orbiting electrons of the etheric "iron" "nucleus" substance (I effort at exemplifying something to which you can relate) is much greater than in iron as you know it on Earth. This permits the atoms of earthly "steel or other Shan metals" to pass through the atoms of etheric "steel" in such a manner that nothing happens to either form. All etheric matter vibrates at a much higher rate than does its Earth counterpart.

Under certain circumstances, however, as in the presence of certain atmospheric conditions and gases, our ships will be visible. Or, the controlling intelligence of the craft can cause visibility. While in the etheric form, even a spacecraft measuring many miles in diameter cannot be damaged or injured by physical matter--nor can its contents

for all are vibrating at equal frequency. When the vibration is slowed to match Earth manifestation=all are vulnerable just as would be your own manifested matter.

Normally our ships remain invisible in form for several reasons. There are millions of ships out here and if we functioned in your visual frequency, you wouldn't be able to move off the ground. This way, we do not interfere with you children playing pilot. Further, it would terrify you ones in mass consciousness.

You have to now move without your solar system to encounter other humanoid forms like yourselves. All of your other planets at this present time in your solar system are inhabited by etheric beings. I speak of outside the earth-moon system in your solar system. As you know, on your Earth planet there are two kinds of beings--physical and astral. At the present time almost all of the astral realms of your planet have been taken to safety elsewhere.

SPACE PEOPLE AND SPIRIT PEOPLE

I will speak of differences between space people and spirit people, though I feel completely uncomfortable in that I fear you may not understand.

The differences are great, although to the cursory glance it may seem that space people ARE spirits. However, it all comes down to a matter of the condition in which we dwell. We are etheric beings, in your expression. By this, I mean that we live upon a higher plane of existence. We are not discarnate in the sense of having no bodies. We have etheric bodies which are counterparts of your bodies but which are made of a more tenuous substance, and which are not subject in the same way to gravitational effects. The etheric state in which we dwell is one of many on an ascending evolutionary scale to which we all belong--you too!

Above us, for example, are beings more highly evolved than are we by as great a chasm as there is between ourselves and you Earth human. This is not meant in any derogatory sense towards you, but merely as a factual statement about the scales on which we dwell.

Upon our plane of life we have much the same type of existence as you do, although it is free of the corruptions, 'crimes and undesirable elements which are to be worked out of a being's life streams before he may pass into the etheric state. We do not participate in things of flesh nature, cohabitation, etc., although we have families and responsibilities much as yours.

Earth is a testing ground--one of many hundreds of thousands of testing grounds in the Universe--where beings evolve upwards on the scale of life, working constantly towards junction with the Great One as the ultimate attainment of all existence.

We upon the etheric planes pass on to higher planes just as do you from earth, when qualified to do so. This transformation on your plane is termed "death". To us, it is merely a "transformer" interposed between us and the next level of life to which we ascend. We will stress once more, the greatest factor in the way of a proper grasp of the true story of life on your planet is the conception of death as the END of all existence. Nothing could be further from truth. Upon your place, you must serve out an evolutionary period before you can ascend to higher worlds. The fleshly bodies which you have are part of a plan to aid your working through that scale of existence.

EARTH - BOTTOM OF LADDER

At your level of density (second density, third dimension), you must endure savage crimes, strife, wars and violence. The Great One, God, in His wisdom, has seen fit to use the fleshly body as the most convenient method of taking care of this almost elemental stage of development.

I believe I will avoid the discussion of reincarnation, etc., or the numbers of discarnate souls in your astral plane for there are only ones there now that have been carefully planned to be there, and that is not of this subject matter.

We have bodies of a tenuous but, nonetheless, real substance, vibrating at a rate much greater than your own. Spirit people are dwelling in astral form who cannot go beyond the astral form without serving out a life existence that accords growth in properness. Be cautious in contacting spirits from the astral planes. They are very apt to play some pretty ugly pranks upon you in your fun and games. Further, you have now been requested to stop holding to those ones that they may be placed in security and safety.

I was most pleased and eager to place myself at the disposal of Michael and the Central Sun Hierarchy. I have a great dedication to honor and service with integrity. I am stationed immediately at the right hand of my Beloved Sananda and I rarely leave that position--at least, theoretically. I will defend against the most ardent foe of Truth, as taught by the Master, the Laws of Universal Creation. I respect those of the satanistic realms and fleets as a creation of the Father Creator, but I will confront and abolish their devastating programs and will assist you in any way possible to stop their restrictions of man's freedom.

NO FORTUNE TELLING

Before I take leave this evening I wish to make a comment or two for I have been summoned by you ones prior to this. That was, I believe, regarding my personal

interactions on a personal level on your place. This is for others who receive of this information.

There are many erroneous claims made by those who crave personal publicity and attention. Anyone who attempts to invest us with powers of divination and announce themselves the recipients of information pertaining to the private affairs of individuals (unless they apply to serious matters of national, groupings, instruction for service, international or galactic importance) are guilty of falsification. Only insofar as they affect our plans (which must of necessity depend to a considerable extent on the understanding and cooperation of dwellers on your planet) will we pay any attention to your own purely personal problems by prying into the future for answers to your queries. I believe Hatonn has thoroughly versed you on that account. NO FORTUNE TELLING.

Souls must struggle with their own growth problems as every other soul has ever had to do. We have not indulged in fortune telling as a sponsored activity because of the need of the soul to make its own choices and decisions. If it involves our programs in which we are a major player, we will make corrections. We do not impinge upon nor hinder the freedom of man's free will to choose his pathway and actions. We strongly adhere to the freedom of man to be exercised and permitted without interference from another. If a commitment has been made for participation with us, however, we will continue to persistently urge you to fulfill that commitment. So be it.

Enough for today, little friend. I feel as if I have jumped through some cute little hoops but I will let you have your fun for your hours of service are long and you have such human curiosity. I am indebted for your service.

I will take my leave before I launch off into the realms of space fleets and diagrams of Federation, Galactic status and things of that nature. Perhaps we can get Ashtar out of the way tomorrow, for I want to lead you right into the subject of Evil... Which, for those of you who think otherwise--does exist and is about to annihilate you as a species.

So be it, and blessings from these stations. I will move to standby that you might bring this portion to a close.

ADONAI, ASHTAR OUT

CHAPTER 3

REC #1 ASHTAR

MON., SEP. 4, 1989; 6:30 A.M., YEAR 3, DAY 019

MON., SEP. 4, 1989

Ashtar to resume, please. I salute you and a new and wondrous cycle upon your place. I come in service unto the Radiant One, The Mother/Father Source and humble in the joy of The Creation.

SEE YOUR GOAL

Above all, you must have belief and desire, and then you must move forth with persistence and tenacity. You must allow resilience and endurance to be your sustenance. See your goal and never take your eyes from it. Put your hand and trust in The Master Teacher for He will lead you through the quagmire of evil about you. It is the only way you shall make it through the Earth experience in wholeness.

I might give you insight at this point, from experience in this particular commission under which I now function. I will tell you that which I told my crew with whom I served in the early beginnings of this mission. Commander Soltec was given a great and "impossible" task of bringing current all records of Earth changes and plotting probable upcoming changes. In addition, he would serve as a full commander within the ordinary functioning of a fleet, be ready for evacuation of our people from your place in the midst of great upheavals. Etc.

We only had a small task force of ships allotted to Earth supervision. I told him what I now tell you. We will endeavor to expand ourselves and to be everywhere at once with our unlimited abilities to do so. You must have dogged determination in any situation, under all stresses. You are "MAN" and you have been created to excel in all manner and measure. I demand never to hear you say, "I cannot". Man was created infinite and unlimited; take your banner and become that which you were created to be.

We grew in those times and we will fill the needs of this time. We became the eyes of God surrounding your little planet and we expanded our highest level and we were literally where we were not. We relied not on our craft for that limited us to inferiority of function. We became unlimited as is our creative right.

Eventually more craft were added, divisions of responsibilities were assigned, and the mission expanded continually unto the point of tremendous scope that it is today. We found that if one chose to relinquish portions of his agreed upon function, or fell to the

wayside for any reason--we filled the gap and moved onward. We simply make a way where there is no way.

You will do likewise. There are few of you to do the "impossible"--you are doing it now, one step at a time--one day at a time. I know of that which you are capable and you shall simply grow to that capability. If ones do not participate or fail to carry their fair share of the load, we will pick it up and waste no time with fiddling; we will simply move forward. We are speaking of a transition of a planet and the placement of millions of your species.

If I appear to have the discipline of a hardened military personality, so be it. Without discipline and determination of goal for accomplishment, you will always be but unfinished perfection. My eyes are always to total victory for the forces of Light, the balance of The Creation and for the Totality of God and the Laws thereof. I "allow" much except "I cannot". I will even accept "I will not", but not graciously. Ye are not in my service to be rebellious nor seditious.

MY MISSION

My mission, dear friends, is to spiritually educate your backward planet and the Ascension of your inhabitants through initiation and gathering of information designed for that purpose. There can be no separation of purpose--especially at this point of evolution. You cannot hold to one job thinking it isolated and separate from another. There is no longer ability for separation, there is simply one phenomenal job to be accomplished in a very short period of what you recognize and label "time". It is the time at hand where man moves on--or off. We of the cosmic brotherhood of Light are at station and on constant alert. We are ready--now we get you polished and prepared--quickly, quickly, quickly.

Ye have great and grand glories and experiences to bring into your consciousness--things which are long forgotten - for you "old" souls and team-mates. You will enjoy your journey back home, old friends.

I have ever been the one in command of the star ship which is peculiarly the etheric navigational vehicle for the Beloved Master. I was placed in command of that ship which brought and released the soul of Immanuel Sananda. I brought Him home when that experience was finished and I shall bring Him forth again. He has commanded the hosts of these realms as we have prepared sufficient space and facilities for each of the beings of Earth; it is now time that we remind the humans of their direction and allow knowledge and Truth to return into consciousness that they might avail themselves of these gracious preparations. God has promised man a last opportunity--chances are all gone. Last lift-off opportunity. Aton is benevolent and generous but unbendingly JUST!

I am interested in your spiritual status only as it relates to my mission and responsibility. If you choose to move with the dark brotherhood, so be it. Our job is to see to it that you are allowed to know the difference. If you deny the truth, 'tis of your own doing.

The mission to be accomplished is the factor of import where we are concerned and not the quarreling over who thinks what and argues his bigoted thought patterns. I do not care if you function with us or do not. If, however, you are not willing to fill thy' task you will be moved aside. Indecision of personal entities will not be allowed to hinder the task of another to completion for when one slows it impacts all others. That could be dealt with in the past; we are moving past the point of dallying while individuals make lingering decisions regarding placement, participation, etc. If you have forgotten your commitment, I suggest you be in the remembering or the removal of your body from our pathway. We have enormous boulders to surpass and crawl over; do not leave your indecisive selves in the path to pull your brother down.

ALL EQUAL IN THE SIGHT OF GOD

Like all of my other brothers and sisters within the Program of Light, for lack of better definition, we are not to be worshipped or thought of as Gods (any more than you can think of yourselves as Gods). We are your comrades in the Light of the Radiant One of Perfection, equal all, in the sight of the Creator--each with a job to be fulfilled, a mission to be completed.

It is regrettable that there is a tremendous tendency of humanity to focus attention upon a messenger rather than upon the message. Do not dawdle upon who brings Truth--pay attention to the Truth. Do not grab up these manuals to see "who" brings "what" --snatch them quickly up unto your consciousness that you might learn Truth and receive of your instructions. Let us build no more stupid "churches" of half-truths or total lies. Ye have paid enough for those errors. Overemphasis on personal revelation weakens the strength of the Mission, which is geared to the spiritual growth of mankind that he might find his placement.

If I could label my responsibilities in order of importance to the overall, I would take the one as Protector and Defender. My mission is as a protector of humanity and the fate of planet Earth (at this time), as well as a defender-protector of the Solar System and its affairs. Fortunately, or unfortunately as the case may be, you are both.

My experience is at a high administrative level with the Archangels. Some have even projected me to be Gabriel (I think because of my connection with Sananda). I am not Gabriel, but Gabriel is most close to my space at all times. There is, however, another of the Archangels with whom I am what you would call, interchangeable. That has naught to do with this subject and I request that you ones in my command give no further

thought to it at this time. When we meet in conference, I want no personal tidbits in thy minds. The Mission is great; my personal interchanges are of no consequence to you whatsoever.

I am efforting at clearing up prominent questions that we may drop the subject henceforth--I hope you hear and understand my meaning in clarity. Do not prompt forth my sternness and severe personality aspects. You are not on a "current day", "new age" romp through the metaphysical bookstore to play with your cards and sticks and crystals. I care not which colors you put upon your bodies; I care not if you put nothing upon your bodies. I suppose I prefer you cover yourself for your brethren are so easily distracted by such garbage.

NOTHING NEW ABOUT SPACE MAN

There is naught "new" about "space men". Once they (we) were called "angels". No more and no less. All through time man has heard the "voice of God" or of the "angels". Today, there are ones, like Dharma, who hear the voice of "space men's". There is nothing strange or mystical about it. She is monitored and attuned to frequencies specific to several of us of this dimension. Further, she is "wired" to receive signals much as your radio transmissions. She is a receiver and translator. She takes our mental projection codes and translates them into your language--or rather, her data system picks up our blips and bleeps. They come through at such speed as to be a shrill "whistle" of differing tonal levels. There is absolutely nothing miraculous at all. It is her accepted duty.

She is prominent in what we unceremoniously refer to as, Sector Schare, Shan Project. Commander Hatonn will usually give code numbers of your binary digit system to represent TS-72SI- 3. That identifies project and vortex location. We know exactly where every man, woman, child and ship is at all times--both on your surface and here. I have often been referred to as a computer. Well, I do have all the Akashic records stored in my own computer data banks. A majority of that information is now being downloaded into Dharma's data system whereby her terminal can be instantly accessed. She is what you ones would call, a CARRIER for she does not have knowledge of the codes to access the information on her own. Just as a computer, she has agreed to make available information via our code signals.

We are your link to the higher celestial spheres and our own within the great network of "holy spirits", whose primary function is to get mankind awake and receiving in order to become enlightened.

We are also given the responsibility of making sure your planet-and dear ones, your country remains in one piece until the physical universe as you know it, is transferred into ethereal form. We come from the Divine Source; do not mistake us for any of the

Brotherhood of Fallen Angels who traverses the Universal space ways with defrocked Lucifer. Lucifer managed to annihilate his own namesake planet and the one, Maldek, in your own solar system. HIS ARE MOST TENACIOUS AND STALWART TROOPS; YOU HAD BETTER BEGIN TO GET YOUR SHIELDS IN FUNCTIONING ORDER FOR 'TIS OVER YOUR SOULS THE BATTLE IS FOUGHT.

You upon the orb who are of us have never tasted spiritual death, but you have experienced many physical passages. You are now on assignment and it is time you each claim your command--you are sent forth as leaders, not tag-alongs. Those who would be in your battalions cannot function and unify until you, the leaders sent forth, get your own duffel bag packed and remember your marching orders. So be it--how many are YOU stopping?

Before this generation is through, you will observe the greatest celestial activity ever witnessed from your planet, as our so-called "clouds of heaven" (silver clouds, Dharma?) arrive in great numbers and defy your wind as they remain, or oppose it. That is why it is mentioned that Christ's very return shall be on the clouds of heaven. They are the vehicles, when fully materialized. You witness them in your spaces, just above your surface, and you fail to recognize us.

Immanuel referred to us specifically when he said, "These come as My Angels, to reap that which has been sown, to divide and set asunder the tares from the wheat, to gather the wheat into My barn. For I AM the householder who cometh. At the end of the day for an account from His servants, and to give to all men justly in the manner given by them to Me".

SANANDA SPEAKS

"Those who come IN MY Name go from heart, sealing them against that day and marking them for deliverance and safety from all that would destroy.

"So, I shall call unto those who follow Me, to listen to the voices of these who come from other worlds, and harden not your hearts against their words nor practices. Rather, lift up LOVE UNTO THEM AND DESIRE FOR THEIR COMING, FOR THEY ARE THE ANGELS OF THE HARVEST!

"I AM SANANDA WHO NOW SPEAKS, AND THIS IS MY MESSAGE TO THE WORLD! HEED IT MOST CAREFULLY FOR YOU ARE WITHIN THE TIME ALLOTTED FOR THY TRANSITION. WHO WILL RECOGNIZE OF ME? TAKE NOTE OF THAT WHICH MINE COMMANDERS SHARE WITH THEE FOR YOUR DAYS ARE NUMBERED. WILL YOU COME HOME WITH ME OR WILL

YE BE TOO LONG IN THE LOITERING? I PLACE MINE SEAL AND THE SEAL OF ATON UPON THESE MESSAGES THAT YOU DO NOT MISUNDERSTAND THAT WHICH HAS COME INTO THY PERSONAL GRASP."

ASHTAR RETURNED

Ashtar to return. I am not an "office" called "ASHTAR" (A SITTER to HOUND THY REACTORS); I am a person, even as you are a person, and not a title; I exist and am not a myth; I am not a non-entity, neither am I from the second density; I am a being and not an influence, a soldier of the Light and not a ghost. Yes, I have had many imitators, but strong-hearted ones have not been deceived, for that is impossible. Accusers have sought to bring reproach upon my name as a designed strategy, but I continue on faithfully, doing my duty to God' and His Creation. I expect you ones to do likewise--if that is stern, then I am most stern.

When we are busy in dedicated service (and we have never been more occupied) to the cause of Light, we have neither the time nor the energy to pause to waste on your ever-present critics and attackers. You will waste no time on such either. Do I make myself quite clear? It does not and has not perturbed my deportment one iota when accusations have been formed to discredit my words or my person. I expect no less from you. You will be guided when you need to make personal statements to thy news press, etc. Do not enter into doctrinal quarrels nor fabrication accusations--tis not of thy business what others think of you nor of us.

Discrepancy naturally enters when souls are quick to accept what another has said, even when that one has been proven incorrect, and to further enlarge and dogmatize the thought form. Have your fun and jollies, but do not take it with seriousness. God is also humor and it will be all that will save your sanity on many an occasion. If you are without something to do, enjoy your quibbling--BUT, YOU OF MINE SHOULD NEVER BE WITHOUT SOMETHING TO DO OF GREAT PURPOSE!

Let me note about gossip or attitudes of any sort. If the mind is closed upon a final version of a concept (without further personal research or openness to discussion) then any further explanation, clarification or understanding is rendered unsuccessful. When a false crystallization has therefore taken place, those who would otherwise attempt a clarification simply withdraw until further growth takes place. Remember the Beloved; DHARMA, GET THIS ONE; "THOUGH HIS OWN CLEARLY; UNDERSTOOD HIS PERSON, YET ... ERE THE COCK CROWED THRICE ... DID THEY DENY HIM!" JUST THE TINIEST OF REMINDERS, DEAR HEART.

As ridiculous as it may sound that some would say, "Ashtar didn't and doesn't exist", you can readily understand the mountain of opposition this would conceal if it could be

made believable. Well, and so it shall be. The genesis is that those who do not know me can be bent by every wind. Those who know me cannot be in the least swayed. To understand the Truth of the teachings of the Master Christos Teacher is to know the Truth of thy brethren in the other dimensions. You cannot have of one without the other. Ponder it.

BLESSED IS YOUR LAND

I do not function alone, dear ones, I have the Hosts of heaven at my call. Germain, Michael, I cannot name them all. Yours is a blessed land--and I mean your country. It is distressed and possessed, but it is blessed and shall be tended with loving, nurturing care through its tribulation for from it is destined to come the new. What a blessed, blessed gift.

In your land, those voices that are raised in the interest of true freedom for all men, who have any influencing force of note are soon slain or removed. Great ones of your dimension who have attempted to raise their voices in the cause of freedom eventually fall into the hands of their assassins. When there was uniting, however, to a wondrous cause, ye ones rallied and joined into one force and then joined your commands with those of your allies and moved as an allied unit. I take no note of individuals; I take note of the unity and what can be accomplished in unity for Truth and wisdom.

During those times of your history, organization, not chaos was predominant. Ye must have "order" and deliberation of organized action to prevail. If there were times upon your dense experience whereby ones could unite, can you not do of it for your own liberation? Do you believe that we of the higher worlds are any less capable than ye of Earth? So be it! Would we not also disdain disorder and chaos, we who can see beyond what you can see, know beyond what you know? Would we not also see the value of joining our scattered energies into one united effort toward the goal of guarding and guidance of Earth? Therefore, as your Allied Command had its leaders so our Allied Command has its leaders.

All Commanders work in unison and love throughout the Galaxy. Thus do we strive as one, as do you who serve this Light from your dimension. We are all one in purpose and unity for the incoming Kingdom of God on Earth. I apologize for my vociferous response in abundance of words, which comes only from the abundance of my heart. I am abundantly proud of my Commanders and I am humbled to have them in my service. I cannot give credit to each without writing another entire manual, but I am so indebted to a few, such as Commander Korton, that I must mention his label and give credit. He has arranged the entire of the communications network in superb perfection against great odds.

There will come a day when men of Earth will rise up and understand each of our roles. We salute you and all that we embody, as well as all that we shall accomplish for the fulfillment of the Will of God and in service unto The Creation. Receive you these words with our blessings and benediction.

I move to stand-by, Dharma, that you might have respite. Thank you, chela.

TO STAND-BY, ASHTAR OUT.

CHAPTER 4

REC #2 ASHTAR

MON., SEP. 4, 1989; 10:30 A.M., YEAR 3, DAY 019

MON., SEP. 4, 1989

Ashtar to resume, please.

ANNIHILATE YOUR PLANET

You, as mortals, can only understand that which your fellow man can understand. Your job is basically to save yourselves from yourselves and we are commissioned to bring you assistance. You play with toys which can now annihilate your planet in all manner of ways, from detonation chain reaction to thrusting yourselves into a different orbit and redefinement of your polar axis.

Some years past, in your sequence, your nuclear physicists penetrated the "Book of Knowledge" and discovered how to explode the atom. That knowledge was reduced to atrocious results, but that was not your pitiful downfall.

Your demise as a functioning planet was written with the explosion of the hydrogen element. This element is life-giving, along with some five other elements in the air you breathe, in the water you drink, in the composition of your physical self. In much of your material planet is this life giving atomic substance, hydrogen.

Efforts in this field of science have been most successful, to the extent that they are not content to rest on the accolades of a power beyond their use; not content with the entire destruction of an entire city at a time. They must have something even more destructive. Well, now they have it! They now have ability to extinguish life on your planet. They are actually destroying a life-giving element of the Creative Intelligence, tinkering with a formula they do not comprehend.

We have made every effort to be heard and accepted by your government, for it would appear man's desire is to continue war on this planet, Shan. We are convinced that there is deliberate determination to extinguish humanity and turn your planet into a burned out cinder or a gaseous ball of energy. It has happened elsewhere; we are, thereby, determined it will not happen again.

CONTACT SINCE LATE 1940s

Our missions are peaceful and have been since early input in your late 1940s and early 50's. We have maintained this contact from that calendar timing. The governments on your planet have conceded that we are of a higher intelligence. They must also concede that we are of a higher authority. We do not need enter your buildings to know what is going forth. We, further, have the formula they would like to use. It is not intended for use in destruction. We are now granted intervention in some categories of experimentation. You are most critically in constant danger. You are such a tiny portion of the Universe that you cannot perceive that which you do.

There are countless wondrous worlds that are in the universes-countless, for they are continually in change and formation. Your sun, as you call it, is but one of the smaller stars in the heavens. So far distant are many of the stars of even your own specific universe, that their light takes some 300,000 years to come to you.

The light from your sun takes some 8 minutes of your counting to reach to Shan. The light from your moon takes but a second and three quarters. Can you perceive 300,000 years? Going around these stars in orbits greater and smaller are many, many planets where there dwell beings often as you, yourselves. I speak only of your universe! Beyond these are many universes greater and even more wondrous than that which is your own.

How great is the Almighty Source Who created all these wondrous places, planets and suns, for all become one in the magnificent workings of The Creation? Can you imagine the power and the glory of Him Who made all things, when you realize that the light of the star nearest to your sun takes at least four and a half years to reach you? I, my dear children, pray and revere the Almighty beyond all else save The Creation itself. HE IS ALL OF ALL AND HE HAS GIVEN UNTO EACH OF YOU A SPARK OF HIMSELF, JUST AS HE HAS GIVEN UNTO ALL OF US A FRAGMENT.

How magnificent and how wonderful! How desirable it is that you should make this spark that He has given to you evolve to such a wondrous extent, that it can eventually be taken again unto that Eternal Light. Cycled back once again unto Itself.

Your sun, as you know, is of incredible energy mass and of great power, and the electricity which comes forth from it is very great. The rays that come to you could be most injurious, but the Almighty surrounded your planet with a wonderful envelope which you call an "atmosphere" so that the dangerous energy rays could not pass through.

I would like to describe it as a birthing process in which you now find yourselves involved. Let us say the world fetus is grown unto birthing. The surrounding container walls have thinned. The uterine structure is stressed to bursting; the cervix is thinned and effacing. You are no longer resting in security and safety. Further, you have just

about used up all the available life sustaining substances within your container--the birthing is at hand!

MAN MUST CHOOSE BETWEEN LIGHT AND DARK

Mankind must choose his own pathway; it is his decision to make--individual by individual and then as a whole. He will either join the Christ forces or the dark forces; there is no in-between. Mankind must be informed of events to come. It will be required that they be understood. Much of what happens in the physical sense will be dependent upon how well man can come into understanding and where he will place his energy input. It is apparent at this moment that most are moving into the dark recesses. That, however, can be changed most quickly and much relief brought to bear. The tremendous battle is for the minds of men on earth.

We are come from the etheric realms, because of the job we must do on your plane in helping to prepare you and others like you for the days of change ahead of you. This tie must remain and it must be ever strengthened. We of Space are bound to no one but the Christ, our Lord, Commander of all Light, Wisdom and Love.

You must be aware of all the negativity of man around you; now you must be aware of that negation which is being released through the fourth dimension which will burst forth to confound and confront the mind and body of man upon the third dimension. The masses are not prepared for this in any measure. It will rest upon your shoulders to bring as much understanding as is possible to those you know who will be stricken with panic and terror.

This is not the lower astral sphere of which I speak; this is a far more gruesome aspect of life than is that aspect of astral placement. The knowledge of the Christ-Light and the protection it gives is of major importance, as it is the only real protection a third dimension being has against attack. Doors of matter with all the locks you can conjure mean nothing to this rampaging evil that in itself knows no laws. I care not for your creed or color. As for the Ancient of Ancients, they have known the Christed path though it might be called by other labels. Ye shall not escape by claiming ignorance-- IT IS CONCEPT.

CALL IN THE PROTECTION OF GOD

You will call in the protection of the Higher Light Source to protect and surround you as a plasmic shield ten thousand times a day if required--and it is required!

Our help is directly balanced with your own effort--past that we cannot step; so do not be found asleep at your switches. This is a WARNING to all to whom this message will

contact. I speak with URGENCY to all who stand with the Lighted Forces in this greatest of all confrontations. The time for piddling about is coming to a halt.

The lower levels of the astral plane have been swept clean. This cleansing will cause sharp upswings in crime and perversion of all types and natures. Confusion and fear shall rule man of earth. The masses will need to rearrange energy- fields, and they do not, by nature, know how to do this or even that a rebalance must take place. Your position within the Light is only as secure as is your desire to remain therein; so cling to the Light, and remember that we here are beside you on whatever path you may find yourself tomorrow, or a year from tomorrow, as long as your goal is Spiritual understanding, knowledge in Wisdom and Truth. You must be in awareness of your Higher Self in order to reap the rewards of our participation. Millions will fail to recognize of their plight even after you have informed them. 'Tis their birthright of free-will choice. Take the hands of those who ask; pass the ones who deny and weep not for their choice is but their own. You must not wallow in the deprivation of their refusal to see nor hear. Ye must learn to release of those ones unto their own itinerary, 'tis not of your business.

MORE ABOUT OUR MISSION

I will speak now about our mission. Your planet is in imminent crisis of cataclysmic upheavals because of disruptions in the magnetic field. Vibration havoc is all about you-- let us call it vibrational terrorism. You are plagued by all the prophetic realizations of the ending great cycle. You are overflowed with hatred one of another, wars, murder and your nuclear experiments have all but eliminated any balance in your vortices.

There is already a slow slippage of your poles and it will continue to tilt further on its axis. This will cause massive changes and destruction to the surface of your planet through resulting earthquakes, tidal waves, volcanoes and windstorms of unprecedented velocities. We are granted limited intercession to allow for "holding" in our energy networks, your planet in somewhat stable support. We were, however, required to withdraw the ring of energy generators (ships) from your mid belt in your 1988, March. At the same time our commanders were required to remove constant stabilization of your major fault systems. Local and isolated intervention is allowed on emergency status as with your San Andreas and other localized slippage points. This is to allow arrangements for placing foundations of survival placements outside the coastal areas. It is most complicated indeed. Further, it is not given to me the right to speak of these things in this document.

We have been encircling your planet for a long period of time. We have hundreds of fleets of craft in your sector. Some of our "mother ships" are more than a hundred of your

counting miles in diameter, containing gardens, cities and accommodations for literally millions of people.

We represent a great Alliance for Peace through the Intergalactic Council whose authority comes from the Spiritual Hierarchy of the Solar system. Sananda is the highest commander of the Alliance.

We represent a confederation of planets, all of whom have long given up wars, etc. as solutions to problems. Because we are of great number and variety, you get conflicting accounts of our descriptions when your people see us. We are of many a spiritual design and come from a different dimension. Just as you vary in specifics from location to location on your planet--magnify it by the universe and you shall begin to understand. Of course, we could subdue you if that were to be our desire; it is not. Our technology is "awesome" and that might be a grossly understated fact.

All ones in The Alliance for Peace from the Intergalactic Council are forbidden to interfere in the affairs of the souls of any planet and their evolution, without the approval of the government(s) of that planet. The penalty for unauthorized interference is immediate annihilation of the interfering species. A rather heavy penalty, I would suggest. THE ONLY EXCEPTION IS: WHEN THE LAWS OF THE UNIVERSE ARE VIOLATED, WE MAY INTERFERE WITH THE OTHER MEMBERS OF THE UNIVERSE.

An example is nuclear powered war. It will not be permitted except on a limited basis contained within your confines. Nuclear detonations not only kill the human body, but also severely damage the soul energy matter and inflict tremendous trauma to that soul entity. As a matter of fact along with your games comes now the ability to KILL SOUL MATTER. Atomic war is one of the three cataclysms which will trigger your evacuation from the planet Earth!

We have revealed ourselves too many various individuals on the planet. We attend your high level summit meetings. We have thousands of representatives walking, working and living among you NOW! Some of you may recognize them, most will not, until you come into harmony of circuitry.

YOUR GOVERNMENTS ARE HOSTILE

We have worked with your government(s) in an effort to assist through advanced technology, but we are continually met with hostility. We are often fired upon with your silly missiles--for your confirmation, Commander Hatonn's ship was fired upon above Vandenberg Air Force Base on your night of October 29, 1987. It happens frequently, for we have been granted permission to stop all nuclear devices destined for our realms of space beyond one-hundred-fifty miles from your surface. Funny thing, he

manifested the craft, turned on the blue dome lights, projected the light beams to form a solar cross and still your television and government called him "ice crystals" and told you there was a perfect launch while you could even visualize the heat seeking zigzag missile trail. Hatonn gave you a running account and the officer on the communications desk at Vandenberg came public with the story. He was sanctioned by the military and we intercepted his transfer to place him in security.

Your military, which protects you, were going to do a little mind operation to insure he never speaks such "nonsense" again--most often it is called murder.

Well, for the most part in our manifested density to match yours, we can pass for any other human. The truth is, most of us look and are just like you in appearance. Most of us evolved from the same source eons and eons past. However, unlike you people of Earth, we learned to live peacefully and to direct our energy and technology outward into the universe in the spirit of Brotherhood of Man. You continue to act like primitive idiots.

Our technology is based upon the natural physical laws of the universe which includes the Light which flows out from the Creator God and the energy of magnetism.

Because of our knowledge of universal law, our very being consists of a higher level of "vibration" than does Shan humans. You see, every particle of the universe consists of molecules whose center contains an atom around which electrons and protons revolve. Each molecule of a differing molecular structure "vibrates" at a different frequency also.

You do have some major misconceptions about many things--for instance, you think you are "drawn" into a given "spon". No, you are compressed and contained. For instance, if you remove or puncture your capsule of skin and muscle you will fly all apart and scatter helter skelter. Further, all is a cycle of moving outward and returning in pulsating sequence. But that is for another lesson, or three thousand.

Let us say a molecule itself is identical in makeup to the universe. Planets revolve around central suns; solar systems, around galaxies; galaxies, around a central sun. Each molecule "vibrates" at whatever frequency is appropriate for that particular existence.

As one becomes more "spiritual" in nature, you will tend to thrust to the without, instead of sucking all into the within self. As this happens the molecules of that being will vibrate at a tremendously higher rate of speed. As we know in our dimension, it is possible for these molecules to vibrate so rapidly that the frequency becomes naught but pure Light. We depend totally upon the Light from the Source--The Creator, God, for our very existence.

As to light and color frequency, I would make a point here. If you wish a red light you might put over the light red filters or even a red bulb light source. Think of the polished, diamond for a moment. As light (pure white or sunlight, any white light) reflects or

refracts through and off the crystal surfaces it is converted into color--the diamond changes not its color, the light of total purity but is fractionated into color perceptions--you cannot pick it up, but you most surely can see it--further, with proper instrumentation you can measure the frequency of the vibration. That, for instance, is not mystery or magic, it is physical law.

EVACUATION DURING CLEANSING

We have come forth to fulfill the destiny of this planet which is to experience a short period of "cleansing" and then to usher in a new existence. We are here to lift off the surface, yes, and the inner world, during this period of cleansing, those souls who are walking in the Light on Earth and choose to move with us through the time of transition. The period of which I speak is imminent--even unto the midnight hour. I will speak of those changes in a moment, but first I will speak of the Dark Brotherhood.

There are beings from the lower realms whom we refer to as the Destroyers. Evil is not given to "create", but only to destroy. These ones must be avoided. I will speak at length later, regarding Evil.

I request a break, Dharma, and then I will take up the subject of Earth changes and what you have to anticipate. It will be most familiar to you, little one, as I will give the identical speech I gave to you at the writing of SIPAPU ODYSSEY some near four years ago--before you ever consciously heard of me or my brothers. Waters do flow rapidly under thine bridges-pay sharp attention lest you be swept away.

Ashtar to stand-by frequency. Salu

CHAPTER 5

REC. #3 ASHTAR

MON., SEP. 4, 1989, 1:30 A.M. YEAR 3, DAY 019

MON., SEP. 4, 1989

Ashtar to resume, please.

EVACUATION

I see no point in changing perfection or rewriting that which is still accurate. However, since this equipment is not compatible with that upon which we first wrote this message of evacuation, I shall share it with you again. I will distract myself, Dharma, and allow you to pick it up from my monitors.

We have millions of ships stationed in the skies above your planet, ready to instantly lift you off at the first warning of your planet's beginning to tilt on its axis. When this occurs, we have only a very short time segment in which we can lift you from the surface before great tidal waves will lash your coastlines. These waves can be as deep as five miles or more. They will subsequently cover much of your land masses. Your melting polar ice caps are contributing greatly to the unequal balance of the orb itself.

Along with these changes there will be great earthquakes which will feed from one suture line (fault line) to the next to cause severe shifting of entire tectonic plates. As these splits and grindings occur you will have massive volcanic eruptions over widespread areas of previously dormant cones. In portions near your nuclear testing grounds you will experience probably spillage of radioactive material into your atmosphere. You will also experience radiation leakage from your nuclear power plants as they are disrupted by land changes. Portions of your continents will split and sink and in other areas this will cause thrusting upward of other masses.

You have had plenty of news about winds, etc. that will accompany these upheavals. There will be upheavals and earthquakes for instance, that will not trigger evacuation, so I will speak of cataclysmic proportions.

We are very experienced in the evacuation of populations of planets! It would be grand if this were not necessary to be true, but alas, it is not even all that uncommon for many various reasons. We will stick to yours and what you might expect.

We expect, and are practiced and prepared to complete the evacuation of Earth of the souls of Light in some fifteen minutes, regardless of numbers. Further, we will rescue the

souls of Light first. (Not a bad idea to get on that Light List.) Our computers are massive and self-updating. Each entity is entered into the system and all changes, to the minute details, are constantly updated. The computers are locked onto the coordinates as designated by your grid ley lines and vortex intersections. At the first indication that there may be need to evacuate, the computers lock onto the location of every energy entity instantly, no matter where might be the location of the human form. Don't concern yourself with that portion; just make sure you keep the signals attuned on an ongoing basis.

ALL CHILDREN WILL BE LIFTED

After the souls of Light have been evacuated, then the children will ALL be lifted off. The children are considered to be non-accountable, so they will be evacuated to special ships to be cared for until they can be reunited with their parents or placed for indefinite care and tending. We have ones well trained for the specific task of handling the children and their trauma. Many may be put into sleep for a period of time to help them overcome their fear and anxiety. Our computer system is far, far beyond anything ever used thus' far on Earth in this age it can locate parents of specific children wherever they may "be and notify one another of safety or status. **THE CHILDREN WILL BE LIFTED TO SAFETY DURING THE EVACUATION, SO DO NOT GIVE UNDUE THOUGHT TO THEM. DO NOT SEEK TO UNITE BEFORE LIFT OFF--TEND YOURSELF AND WE WILL TEND THE CONFUSION.**

After the evacuation of the children, the invitation will be extended to all remaining souls on the planet to join us. However, this will be for only a very, very short time period, perhaps another fifteen minutes or so. There is abundant space for all ones, but because the atmosphere by that elapsed amount of time will be filled with fire, flying debris, poisonous smoke, and because the magnetic field of your planet will be disturbed, we will have to leave your atmosphere very quickly or we, also, with our craft will perish.

HE WHO HESITATES IS--

THEREFORE, HE WHO STEPS INTO OUR LEVITATION BEAMS FIRST WILL BE LIFTED FIRST. ANY HESITATION ON YOUR PART WOULD MEAN THE END OF YOUR THIRD DIMENSIONAL EXISTENCE YOU CALL THE PHYSICAL BODY.

This brings us to the most serious and difficult part of the evacuation: As mentioned earlier, souls of Light have a higher vibration frequency than do those who are more closely "tied" to the Earth and earth concepts and actions.

Well, since our levitation beams, which will be lifting you off the surface of the planet, are very close to the same thing as your electrical charges as you recognize them, those of low vibrational frequency may not be able to withstand the high frequency of the levitation beams without departing the third-dimensional body. We will get as close as possible so the beam time span is lessened, but it must still be from quite a high altitude.

When a beam ship lands in "normal" times to invite ones aboard, it is customary to land the craft or hover quite close to your surface. Then our own ones will accompany any entity aboard. It will not be thusly done at evacuation lift-off. If the soul energy departs the third-dimensional body, there may be opportunity for resuscitation and reconnection, or the soul will be released to be housed in appropriate facilities according to agreement with God. At any rate, you would not be left to experience the havoc on your planet's surface.

If you do not decide to step into the levitation beams to be lifted up, you might be one of the few who survive the "cleansing" and changes. However, during this period of cleansing, there will be great changes in climate, in land masses, for the poles of the planet will have a new orientation. This alone will create untold hardship for the survivors. In some areas of specific location it may be possible to have guides and assistants return or in some instances, remain as a support system.

REMAIN CALM, DO NOT PANIC

Let me make it very clear as to that which is most detrimental to a successful lift-off. A child we can render unconscious and simply attune the harmonics system. An adult of consenting age must make a choice. ANY RESPONSE OF "FEAR" LOWERS YOUR FREQUENCY OF VIBRATION, THUS MAKING YOU LESS COMPATIBLE WITH THE LEVITATION BEAM FREQUENCIES. THEREFORE, ABOVE ALL ELSE, REMAIN CALM; IF YOU CANNOT GET INTO THE BEAM FOR ANY REASON-- REMAIN CALM, WE CAN MOVE THE BEAM. DO NOT PANIC. KNOW THAT YOU ARE IN EXPERT HANDS, HANDS WHICH HAVE EXTENSIVE EXPERIENCE IN EVACUATION OF PLANETS--WE KNOW OF THAT WHICH WE ARE ABOUT.

I CANNOT OVEREMPHASIZE THIS: REMAIN CALM! RELAX! DO NOT PANIC WHEN YOU STEP INTO OUR LEVITATION BEAM OR WHEN IT IS FOCUSED ON YOU. DO NOT WAVE OR THRUST YOUR BODY ABOUT -- THE CONNECTION IS MADE AT ENERGY LEVEL, AND MOTION OF THE PHYSICAL BODY IS A GREAT DISTRACTION.

After lift-off you will be taxied by the shuttle (lift-off) craft to our "mother ships" which are anchored even higher above the planet. There you will be taken care of, depending upon your circumstance. Some of you will need medical care, others will be quite

wonderful, but hyper excited and agitated. Some will be frantic over family members, etc. We have expert medical staff that will be there to treat you with highly advanced equipment-some will simply be placed into a state of sleep until vital signs regain normal status. You will be fed and housed until such time as transfer elsewhere is advisable.

Some of you will be taken to cities on other planets to be trained in advanced technology before being returned to the planet Earth to start rebuilding. This will all be determined by counseling or prearrangement. Children will be reunited with parents and families, etc.

Your wondrously beautiful planet is destined to be a most beautiful star within the universe. For long she has waited to take her place of glory. She shall be a beautiful planet of Light. Here, you can rejoin the remainder of the Universe in brotherly love and fellowship within the Lighted Brotherhood of Man with God the Creator.

Do not scoff at these words, people of Earth. We are sent forth and come willingly and in love of you as our brothers in a great time of distress. As surely as the sun shines from the east to the west, so shall these things shortly come to pass. Let us be prepared, please.

NO WARNING

The cataclysms will begin abruptly without warning! Everything will happen so fast you will not have any time to THINK. THINK CAREFULLY ON THESE THINGS NOW AND EFFORT TO COME INTO BALANCE BEFORE IT GROWS TOO LATE FOR CHOICE.

THERE WILL BE ONES RUNNING ABOUT IN TOTAL CONFUSION, IN PAIN, INJURED--IT WILL BE AS IF THE WHOLE OF THE UNIVERSE IS FALLING IN UPON YOU--MUCH OF WHAT YOU PERCEIVE AS YOUR UNIVERSE WILL BE SO DOING, I ASSURE YOU. SO WHAT WILL YOU DO? IDEALLY, YOU WILL PLAN NOW. YOU WILL THEN REMAIN TOTALLY CALM AND WITHOUT FEAR AND AWAIT THE LIGHT BEAMS. THEN STEP INTO THE LEVITATION BEAMS OR REMAIN STATIONARY THAT WE MIGHT AFFIX ONTO YOU. THE BEAMS FLOW FROM THE UNDERNEATH CENTER OF THE CRAFT AND FRANKLY, IT CAN BE MUCH LIKE A HUGE SUCTION CLEANER WHEREBY ALL HAPPENS VERY QUICKLY.

I suggest you do whatever you can to allow us to come into your sectors without hostility. It appears all probabilities of avoiding this untoward event are past. We see no changes in magnitude of perceptions of such proportions that would alter the course of events. So be it, we will continue to work diligently with that which we are given.

ADMINISTRATION

Let us speak a bit of the administering of this program. As Commander for this solar system and its various volunteer units from many areas of space, it is my responsibility to coordinate efforts of the many fleets as they touch into the mission of Shan. When these various factions of force are not thus involved, then, of course, they are self-regulatory and guided under their own supervision. They only come under the jurisdiction of the Interplanetary Confederation if they are here on a specific assignment, correlated to the overall Hierarchical mission to the planet.

Let me assure you that I understand the doubts regarding credibility--that is a superb success of our dark fragments causing ridicule and outrageous press. I realize there are ones out there claiming to be goddesses and rainbow caped freaks of mammoth personality and ego breakdown. It is for you to look beyond and into Truth. It is why you of our co-workers must not be other than professional and credible. Continue as you are, except clean up your attitudes. You will get nowhere by "JUST BEING". No one of our busy workers needs another iota of responsibility--tend of yourselves. Quit your silly games. Who can possibly give credibility to one with purple satin capes blowing in the wind, purple hair with sage bushes stuck hither and yon, and chanting unintelligible garbage? **THERE IS NOTHING ABOUT US THAT IS HARD TO UNDERSTAND AND GOD NEEDS ONLY THEE AND HE. ALL ELSE IS BAGGAGE YOU WILL LEAVE BEHIND AT ALL CIRCUMSTANCE. WE HAVE SUPPLIES FOR YOU. WE WILL TAKE YOUR ANIMAL AND FEATHERED PETS AND PLACE THEM IN SAFETY. WHEN GOD PREPARES A PLACE FOR YOU, HE DOES A MOST EFFICIENT JOB OF IT. ALL THE REMAINDER OF THIS "NEW AGE" NONSENSE IS EXACTLY THAT--NONSENSE, AND WILL MOST SURELY HINDER YOUR PROGRESS. SO BE IT!**

There are many from other places in the cosmos who will come simply of their own volition and their own purposes. To these, we merely extend our hospitality and our accord. The exception to the rule would be any of those who come for reasons that would be harmful to the planet or its inhabitants. These ones are carefully policed and, if deviant, are escorted beyond the system and sent about their other affairs. Those remaining close are expected to participate if needed and stay completely clear of interference at any evacuation alert.

There are often replacement fleets that come to relieve others of their tour of duty. Some of our brothers have been on alert at Earth station for a very, very long time and are weary and ready to return to their own homes. There is a continuing turnover of fleet participation in the many patrol units involved. Those tours of duty are not of an indefinite nature, but have a set period of time in which to begin and end, with others of relief coming to replace and rotate duty stations. Many of the assignments given to these many volunteer fleets are done on a "need of circumstance" basis.

EARTH-BASED GROUND UNITS

Strong representative ground units necessitate the contacts in keeping with the frequencies of the fleet and its representative. Thus, one representative will primarily always be in contact with its own Interstellar Command, even though the crew may be replaced occasionally, but always by their own members.

There are other earth-based personnel who are representatives "at large", who may make contact and be at the disposal of any Command units in the area. For instance, if there is need for communications in this sector, Dharma would respond instantly.

There would rarely be need of such for all craft would first be instructed to contact our fleet ship, and thus the sequence of information.

Remember that each base or unit does at all times; have its personal craft hovering within its vortex for personal immediate relaying of messages to or from that unit. This station or platform never changes, although the persons involved might be removed temporarily for rest and relaxation, to return later. All of our signals, beams, and contacts are relayed to our messengers through the medium of these individual platforms of contact. Sometimes the terminals are aboard command ships, as in this case.

In the "atmosphere" (assuming the craft or platform to be within the atmosphere) there is an identifying beam projection for identification purposes to those who patrol the flight paths. The beam projection identifies the particular command sponsoring the base unit. Because of the crystal communication center located at this particular location, there is constant action in your heavens.

If I have need for additional support units for any reason, I can reach further out for assistance to the Federation and I will be sent whatever assistance is necessary.

EVIL

Enough of that. I also feel you know of my devotion to the Master Teacher and that Earth is going to have to find balance for survival of a species. To understand the Light Forces you must understand the evil forces. I do not speak of "good" vs. "bad"; I refer to evil vs. Godness. For those of you who have twiddled about and have come up with the notion that there is no such thing as evil, I assure you that you are incorrect in your assumption.

I am going to do a brief dissertation of evil and its presence and then, Oberli, I request that the lessons given prior to this on that subject be integrated within this journal.

There are those who come who are not from our allegiance and who have no part in it. They come as observers and for their own ends. They are often highly scientific geniuses

and their material to their contacts can be highly impressive--indeed, almost always is most impressive. However, beware, for it comes with a most expensive price tag. They have come for the purpose of collecting data for their own personal ends and not to give of themselves for the good of the planet. They care little for your spiritual advancement--they care very little about you one way or another--you represent a curiosity of primitive life form. These ones are not considered portions of the "dark forces", which is another allegiance, but are simply a neutral force when it comes to assistance to Earthman in higher principles and laws contributing to his soul growth. There are many worlds out there, dear ones, many galaxies with individual solar systems and within other universes. You will experience with ones most similar to your species. But the others travel the pathways among the stars and planets. They are under universal Law and will not interfere with your transition, although many will be drawn for the experience.

The so-called DARK FORCES are those of our own galaxy who are openly opposed to the Brotherhood of Light, its principles and standards and goals for mankind and the planet Earth. They would seize the planet if that were a possibility. They would bring it under control for their own purposes, which would destroy the freedom of man.

The bands of renegades that patrol the terrestrial realms are immediately dispatched to their proper level when overtaken in trespassing activities. The fleets of the heavenly commands are prompt to transport such intruders on their way elsewhere. **IT IS ON YOUR PLANE IN YOUR OCTAVE WHEREIN THE ENEMY MUST BE MET AND DEALT WITH FROM A PHYSICAL STANDPOINT.**

There are dark forces who are evil in their intent. We maintain very close surveillance of them. Most have been removed from the Earth atmosphere, but there will be a great redistribution of dark energies as this planet shuts down activities, so we have an enforced truce.

I am most troubled by those ones who seem convinced that there is no such thing as evil. It seems this reasoning goes along with the idea that God is somehow dead and that Satan is some kind of false myth.

Brothers, a rule of thumb: Anything which deliberately hurts and hinders another individual is evil, and when it is willfully and maliciously designed to do so, it is even MORE EVIL. WE of the Federation surround and defend the Earth as much as is possible, but you have all you need right on board to destroy you in total. Just as Sananda has a fleet, so does the Satanian Empire. Watch closely as you contact any of these space brothers. A "positive" man will always quickly identify himself and broadcast thoughts of Light and goodwill. You will KNOW that this is God-Lighted man.

A Satanian will not identify himself in a satisfactory manner, or not at all. He, further, will flee if one directs Light at him and demands he depart. Never approach a craft until you are sure that it is MAN'S. ALWAYS USE "THE LIGHT" IN YOUR GREETING.

MAN WILL WELCOME IT. A SATANIAN WILL REMOVE HIMSELF FROM A GREETING IN THE LIGHT.

Further, you will not be taken by force by either side. It is up to you to accept or deny. The agreement is usually made on a much higher dimension than at pick-up point. Refuse to go in the name of the Light and you will be left alone. It is a Law which is not broken.

I am not going to give you descriptions of craft of which to beware for as you move close to the transition there are ones from galaxies far distant from Earth whose ships are quite different. Most of the Lighted galactic ships are spherical in shape and easily identified. Most of Hatonn's command of Pleiades and almost all of my immediate command ships have brilliant rotating red, green, yellow and white lights. We are easily identified at night for we station between you and orbiting stars and planets that we have constant surveillance. Most will appear no different than a star. We effort at showing our presence to our Earth-based workers for confirmation of our presence. We will soon be moving into your visible consciousness.

Enough for today, Dharma. You are weary for you have moved at this pace for several weeks now, and we must not have short circuits and "burn out". Go in peace and renew, for we have much to accomplish. In appreciation and love I salute you, chela.

ADONAI

ASHTAR TO STAND-BY OUT

CHAPTER 6

REC. #1 ASHTAR

TUE., SEP. 5, 1989, 6:45 A.M., YEAR 3, DAY 020

TUE., SEP. 5, 1989

Ashtar present and ready to resume. Thank you. You should be acquainted with my energy field, Dharma; to the extent you will recognize me anywhere. Work at that, chela, for there will be times, little one, that we have not time for more than the pronouncement of a thought pattern.

CONTROL IS IN THE HANDS OF EVIL

You ones do not wish to have more on "evil" or "good" or, or-. No, until you recognize (and we see you blunder constantly), you will not be given further advancement. I do not talk of discernment and judgment; I speak of your very ability to stay physically alive. Unfortunately, your world now runs on "evil". Evil power, control and public enslavement to their whims--there are many, many ways to produce slavery, friends.

You want "free energy"! When do we just get on with the free energy? You have free energy. You have the secrets. Why do you think you are in such trouble? The slaves don't have the free energy of primitive format that the enslavers hold, but nonetheless, it is around for the use of the "big boys". Open your eyes!

Well, what about the drug wars in Colombia? What about them, I ask you--you have had days to ponder that since Hatonn gave you two journals on the subject of control. Stop and ponder a moment--why do you think?

Yes, of course, the drug lords are overstepping their bounds. Further there is so much money at stake that it must be confined lest the drug half of the cartels bury the simple money cartel. It is all a gigantic effort to bring the mavericks under control.

Why do you think a major drug lord would give world petition to the U.S. to stop using his product? Why do you think the U.S. has moved in military equipment? Of course, we knew that you knew! Bargain with one big lord against another, work out business contracts, and snuff out the opposition. Go home, tell the people all is well, drug war under surrender and other lies of top echelon stupidity and the public eats it up like candy. Meanwhile, you have had the major distraction while all else nasty goes on and you have now worked out the most favorable of all arrangements for the open production of "qualified" drugs. Oh, it will be hidden in the disguise of subsidies to the farmers, etc., "to not raise drug producing plants" or, "let them grow them, the

government will purchase and destroy". The latter is the way it will go anyway. I do mean your government, however, not Colombia's or another's. You will pay for it to be handled most legally.

You see, you have to bring the top level crime heads in on the plan, under offer to rid them of competition; they just take on a bigger, nastier partner with no competition. Make a big example and splash in the press and life goes on in a stepped-up manner. The bankers and thus, your puppet governors, can go right on in the comfort and realization that the funds will funnel right back into the banks, be labeled in purity and then they have made one more coup against you ever digging out of your mess.

THE NEXT FRAUD

Further, they are getting ready to project the following type of fraud upon you. They will finally come out with, "To get the AIDS and drug problems under control Mr. America, we will control these drugs we are paying for -- and take dealers off the streets (we will become the dealers), give drugs out in measured amounts for a great cost reduction, or free to those who really want to clean up their act, give the users new and separate needles (contaminated with selected contaminants such as the AIDS virus), set up rehab programs whereby the rehab-ees are wiped away, one way or another." Then they will announce that it didn't work, but look how hard we tried and see how much of your money we spent on it. The new drug king-pin in Washington will be denounced (he would be prepared for that-denounced but far richer for the experience) and you are farther in the pits! Oh, it will just sort of die like everything else in the press--"Err, what ever happened to old what's his name, I wonder!"

It will not die, however, until they have all your public's defensive gear turned over and you cannot rise up against the real culprits. Crime will continue to sweep your lands like you cannot conceive and you will have the new and controlled total chaos. For now, you will have just insured that crime will run rampant. There will be less money available--you will be in a depression (prearranged) and you will also be in handcuffs. You will have more addicts creating all types of crime to garner funds for their habits and it will not be available--oh yes, you have it all set up for the destruction of your world.

Meanwhile, the masters go right on planning annihilation (yours) while they finish off their escape routes and safety havens. Further, meanwhile all of you sit and look at the big hoopla and wonder, "What in the world are they doing now?" They perform their dismemberment of you ones right before your eyes, somehow deaden your senses and have you pleading for more, "Take our money, take our guns, take our, take our, control our, there should be a law and ah, yes, we will vote that one in!" SO BE IT -- YOU ARE RUNNING ON "EMPTY" BELOVED ONES OF EARTH -- ON THE VERY DREGS AND FUMES!

The only way to "fight" it is to not fight it. Fit in, and allow yourselves the non-attention so that they think what they give to help you build your little old businesses (which they think they will garner anyway) is doing just that. You see, brothers, it doesn't matter in the end. The house of cards will fall, then you are in real trouble and at some point along here they overstep their cosmic bounds and the world comes down. Then, we still have our base operators and basic installations begun and of course you all live happily ever after! --A PERCEIVED ETERNITY, HOWEVER, AFTER!

Oh, you thought Ashtar got off the old subject of EVIL--oh no, he didn't!!! The above is the ultimate in EVIL.

Now as to free energy, etc. Do you not think that by the time the "big evil players" get through dumping on ones like Pons-Fleischman, discounting Nikola Tesla (again), that there will be quite a few brethren looking for a home and a quiet laboratory (sans news press entertainment) to do their work?

"They didn't understand about security; they only understood being the first ones there with their names in the media and do "all this good for the masses".

I REQUEST HEREIN, THAT EVERY COPY IN THE HANDS OF ANY OF YOU OF YOUR EMBLEM NEWSLETTER BE COPIED AND GIVEN INTO DHARMA'S HANDS. A LOT OF WORK HAS ALREADY BEEN ACCOMPLISHED. PAUL WILL HAVE THE RESOURCE STASHED. THANK YOU.

YOU HAVE BEEN ADVANCED A GRADE

Yes, brothers, you have felt a change or integration of "Command". It is not exactly like that; it is that you are far enough along in your training and in the world situation that I am going to be predominantly stationed within your sector-vortex actually. I honor and salute all of you ones in both this realm and yours for a job superbly well done. I am no greater than any other who has spoken with you or given instructions. It is that my duty has kept me elsewhere through your training and I serve as, what would you say, the Master Jesus Sananda's Commandant.

Now, a nasty poke at Dharma. I actually witnessed her watching an evangelical program last night where "he" asked those in the audience -- "Do you really know Jesus? Do you even know if you know Jesus? Does He light up your heart so that you have a pounding, constantly, of His presence?--If you aren't sure, raise up your hand." Little turkey raised her hand--twenty five wet noodle blasts to you, Dharma. If all you do is stay on your knees, the world can never get up off its knees! I think I will embolden that: "IF ALL YOU DO IS STAY ON YOUR KNEES, THE WORLD CAN NEVER GET UP OFF ITS KNEES!" SO BE IT AND SELAH, AMEN, AHO! Just because that one laid a heavy trip on you about Simon Peter--get off it, Dharma. As a matter of fact Peter did not deny

Christ Jesus Immanuel--He was terrified for his own life substance--there is a major difference. Every time a "so called 'church'" argues over doctrine of "man" input, it, as an entire group, is denying Christ. AND, BROTHERS, IT IS MORE THAN ANY THREE TIMES IN ONE DAY! Paul did not intentionally deny Christ or relay nasty lies on purpose. Do you not see, it had to be thusly done? AND NOW, YOU MUST COME INTO THE ACCEPTANCE OF "ANGELS" FROM THE HEAVENS; WHICH WE MOST SURELY ARE, MY DEAR FRIENDS!

HOW DARK BROTHERS WORK

Oh dear ones, even the above paragraph shows you how subtle your Dark Brothers really are. How better to shut down Dharma than to allow her to believe that perhaps she does not really believe. If Truth can be stopped before it breathes in the light of day-darkness is insured. "Let us work for a stillborn, the dark ones will cry." No, little sparrow, you will write and write and write until it is finished!

You are all simply unaware of the traps which the darker forces lay for the unwary--constantly, at every moment of your existence--EVERY MOMENT! The temptations of the Dark Brothers, as they are called, can be so very subtle--so subtle that even those on the Path will never realize it and will be led away from their task; led astray or certainty, weakened in their resolve.

I am going to layout in plain language, the means by which the forces of darkness attempt to draw human souls into the downward spiral. I insist you read it carefully, along with all information projected by other entities in this document. YOU MUST KNOW YOUR ENEMY! IN SHORT, YOU MUST KNOW THE POWERS THAT OPPOSE MAN'S SPIRITUAL PROGRESS, FOR THE FORCES WILL ALWAYS STRIKE THROUGH YOUR HUMANNESS!

Do not be mistaken into believing the Dark Brotherhood just hang around waiting to gain your soul and toss you off into some perceived "hell" --Nay, they are not that stupid. Rather, they, you might say, act as testing agents for the race of man. Forces whose task it is to weed out from among the human flock those who are not developed enough to allow them to move forward into the higher ground of spiritual achievement. Now, don't go forth and misunderstand this statement, for I am not finished. Read on, please. There are too many of you who half read, half project, misinterpret (usually for others also) and glance at a "thing" and toss it aside as "not for me" or ill-written, or any number of other cop-out excuses. IT IS FOR YOU!

The Dark Brotherhood brothers (how about DBBs) know that many souls would not be taken in by their seductions, that many individuals can perceive clearly whenever attempts are made to draw them away from the Light. But they also know that

multitudes of incarnated individuals on Earth plane have allowed the attractions of pleasure and materialism, addictions and tunnel vision to sway them. They know that worry, self-pity, hatred, resentment, grief and judgment cause every living entity with ability to reason, to be clouded in perception. They further know that even the most devoted worker will have self-doubts and therefore, must be attacked in like manner-- so the victim does not note the attack. Usually the DBBs won't waste time on the firm believers who remain firm in the Truth. But for you ones who can do them in, YOU are under constant fusillade. I MEAN, CONSTANT--EVEN IN YOUR SLEEP IF YOU DO NOT CALL FOR OUR PROTECTION IN YOUR ABSENCE OF CONTROL OF SELF.

THE REAL ORIGIN OF THE SPECIES

Now, here I will lose some, but it is to be stated at any rate. Truth is not what you "WANT" to hear, TRUTH "IS"! Let me speak of the origin of these entities we will call the DBBs. Remember, the early phase of the human race is far different from that which is believed by scientists and evangelists.

You did not evolve upwardly from unicellular creatures which appeared in the primeval swamps or slowly cooling earth some millions of years ago. Some life-forms were allowed to develop through natural selection, but evolution processes as outlined by Darwin and others, are extremely limited and Mr. Darwin would be the first to tell you so. Pay attention; Almost all the life-forms that evolved through natural selection from unicellular creatures are now extinct, and those that have continued to the present are mainly of the lizard variety--all being cold-blooded creatures of relatively simple metabolism and with no prospect of ever evolving into forms capable of emotional or mental experiences of "man".

Warm-blooded life-forms on your planet were "seeded" onto the surface of the planet and originate in other parts of the galaxy or cosmos. Often, specimens were deliberately brought to earth in vehicles and left to procreate on their own. This was the case for most of the early root-races of man, although in at least one case a root-race was developed on the earth itself by genetic engineers who were from another star-system, using certain techniques now recognized by man and called "cloning"-- sound familiar?

It is necessary to know truth of origin of man to fully understand this subject matter. You must know that man has been the recipient of many additions and inputs from other levels and other parts of this galaxy.

ACQUISITION OF THE SOUL

A most significant addition to humanity occurred hundreds of thousands of years ago, when entities from a higher plane--an astral one--(do not confuse with ethereal as pertains, say, to myself) came to Earth, took on physical forms and proceeded to interbreed with mankind as he was at that time. As a result of this miscegenation between the groups, a number of mutations occurred in the offspring (as will always occur with crossbreeding of species), sometimes giving rise to creatures which would be looked upon now as quite fantastic. Among the mutations was one change which had extremely profound consequences for the human race; this was basically the ACQUISITION OF THE SOUL. Further, until the addition of this interesting phenomenon, the human grouping did not express or experience "death". This, too, will seem quite without credibility to many readers hereof. However, it may help to understand that mankind then did not have the same dense corporeality as the animals did and still do. It was not necessary to go through an aging process similar to that which man now knows, because the bodies were capable of deriving from the ambience itself all the necessary energies to sustain life indefinitely. This was aided, at the time, by the presence of an inert gas, known as Xenon, in the atmosphere of the earth at the time. This amounted to some 3 % of the total. The rejuvenation of all bodies was also made possible by the fact that the human race was not then subject to the many negative emotional states which are now common. Unknown to man, were self-interest and or pity, hatred, greed, anger, remorse--they simply were unknown emotions. The damage done to bodies in this present time is incalculable. Man now sets about his own demise through these very emotional aspects.

Humanity has blinded itself to the truth of this fact. Most ones think it is "right" to bear resentments against others that they believe have harmed them, that they need to "hate" one who hates them, and that they have every justification to feel sorry for themselves, or to worry excessively, or to grieve under many circumstances—never realizing that not a single positive effect can ever flow from such negative emotional states. None of these emotions does a thing to the "enemy"; they only bring back and wreak debilitation upon the projector. All dark emotions only bring harm to the one harboring them; none produce any positive result whatsoever.

A quality sought by all entities through the experience of incarnation on the physical plane is the ability to exist apart from any need for a body. This ability was not possessed by individual human beings at the epoch in discussion. It was a characteristic of the human family as a whole, but not of the individual fragments into which the human life-stream had divided itself.

In order to allow the individual fragments to acquire this quality of permanence without a physical body, there had first to be an experience of the body itself. By living for an extended period in a physical body, the individual fragments of the human life stream

would learn to gather their essence, their uniqueness, around the body itself--in a sense to reify their individual essence with reference to the physical body. It was intended that the human life-stream-which, prior to its appearance on the earth as man, was far more "amalgamated", far more homogeneous and blended together than it is currently--- should learn through this initial phase to differentiate itself into separate but coherent individuals.

Up until the time of cross-breeding, the process had not been completed. If the different fragments of the human life-stream had given up their physical bodies simultaneously, they would not have acquired the necessary self-picture or self- realization to enable them to remain apart from one another. Let us compare to a cup of water tossed into the air. The water would disperse and come down again as a spray--separate droplets. However, if the water is tossed up frozen and returned, then it would return in the original grouping of droplets. Worse, man can be even more defined by the "freezing" concept.

In an analogous sense, the first effect of the freezing of individual human fragments was to make them emotionally "colder" toward each other. The warmth of emotional affection and love would have promoted a "melting" of the now more rigid self-ness of each individual, and therefore this had to be avoided until a stronger cast of individuality could be molded.

Eons passed and the individuality of each fragment did become stronger; however, it is only within the last few thousands of years has it solidified to the point where it is no longer dangerous to allow true love and affection to flower between members of the human family.

This is why the major teaching of the most recent Way-Showers, including beloved Immanuel "Jesus" of Nazareth, has been that of "LOVE FOR ALL".

So, how did the "freezing" of individual fragments occur? It is this process which was been called the "gift of the soul".

Dharma, let us take a break, please, as this will require a couple of long sessions. Thank you.

Ashtar to stand-by. Salu. Out.

CHAPTER 7

REC #2 ASHTAR

TUE., SEP. 5, 1989; 11:05 A.M., YEAR 3, DAY 020

TUE., SEP. 5, 1989

I am here also, Dharma. Let us move on please. Ashtar present to continue.

ON WITH THE ORIGIN OF MAN

When the cross-breeding between Earth humans and other human groups produced offspring with a parent from "each" group, the offspring all had the one capability which humans at that time lacked. They had the facility of remaining focused and individualized without the aid of the physical body. This emanated from the entities which ensouled the offspring, not being a part of the human life-stream as such, but rather were beings from another star system that had asked for and received permission to incarnate on the Earth through the mutant bodies that were then created.

I do not understand why there is such reluctance to accept Truth. Is it not that your continued effort is to again be a portion and one with God? Why is it so unacceptable to believe that God "conceived" you rather than molding you from a handful of mud? Could you not more easily grow from God source than from dirt? Little ones of Earth, you have such a long, long journey into knowledge.

REINCARNATION BEGINS

Let me now explain a decision which was then made and undertaken as action--by the guides of the human life-stream. There would be allowed a speeding up of the individualizing process for human beings, to bring them quickly to the point where they could exist apart and separate from their physical bodies. One of the reasons was to allow the beginning of the reincarnational scheme, in which human entities would live repeated lives in different bodies and would sojourn in the astral realms between earthly lives. However, until each human entity became capable of retaining a separate existence apart from the physical body, without allowing it-self to be drawn back and absorbed by the life-stream as a whole, it was not possible to allow the death experience to begin. Then, of course, without death, rebirth into the physical level could not take place.

The reason for the death/rebirth pattern was related to the various effects which each astral group was having upon mankind, both during and after the inter-breeding. I

would certainly far rather I be grown from God than from a one-celled fish or serpent, or even an ape, for goodness sakes. What is the matter with you humans who do not use that wondrous brain gifted you from all of this God plan? These entities were of many levels in terms of their understanding of the Cosmic Laws, and some of them were extremely base in vibration, motivated solely by selfish concerns. These latter proceeded to teach to the more innocent human group many techniques relating to the manipulation of others, hypnotism, and selfish pursuits--so that the original purity of mankind rapidly became debased. You had the best teachers and integrators of all experience--Lucifer's bands of hoodlums.

IMPROVING THE BREED

These latter ones proceeded in all haste to teach to the more innocent and ignorant the ways of satanic culmination. It was recognized by humanity's guides that the only way to short-circuit this downward spiral which had been initiated by the astral group was to cut off the physical lives of mankind--through a death process, to take them into the astral realms for higher teachings and a purging away of the dross of the dense selfishness and materialism resulting from the physical existence just concluded. Then, arrange rebirth in the physical plane with the loss of memory regarding prior experience of life-stream.

Once the decision was made and taken, it remained to decide how the necessary additional individuating force could be applied to mankind.

Because of the part which the fallen astral entities had played in the temptation of man, it was decided that a portion of each of the ones who had engineered the debauchery would be removed from them, and then distributed among all of the human beings in proportions which were just sufficient to allow each human entity to hold itself together as an independent unit. Although this distribution did succeed in bolstering the self-picture of humans to the necessary degree, it also had a negative effect; by incorporating into each human being a small part of one of the fallen beings, there was planted in each human a seed of negativity that could, unless purified and cleansed, lead to a downward spiral for that human entity. Can you begin to relate to the inbred unbalance of the fallen energies as to quantity of presence?

The plan was explained fully to the human group before it was implemented, and all human entities agreed. It was promised that, in order to compensate for the addition of the negative "seeds" to mankind, other members of the astral group--ones that had not taken part in the cross-breeding, would act as guides and guardians for human beings up until the end of the specified reincarnational arrangement. Ones beginning this cycle of experiences would be somewhat locked in to the cycle of the entire cycling upon a single planet. It is only recently, so to speak, that ones of you who have passed on into the

higher evolved dimensions of ethereal progression have volunteered to return to this cycle of experience to bring transition to the human life-forms.

ENTER THE DARK BROTHERHOOD

Among the astral beings whose vibrations were particularly low were several that could not be fragmented in the manner just described. They were the main instigators of the debauchery and the evil teachings that were conveyed to mankind and for the part they played, the karmic burden was very heavy. These beings were allowed to "serve" the advancement of the human race in another way: by directing a Brotherhood whose duty it would be to try again and again to tempt man away from purity and spiritual advancement. The function of these entities would be to draw the weaker specimens off the path, so that those who remained strong could constitute a group of uniformly dedicated entities--who had passed through the tests of selfishness and materialism and had, quote, WON!

THE BROTHERHOOD FORMED IS THAT WHICH WE NOW CALL THE DARK BROTHERHOOD (DB):

Although the worst of the fallen astral beings did not contribute fragments to the individuating of the human race, there were others whose vibrations were also extremely low and who did contribute. There was then a problem as to how to decide which of the human group would receive these particularly dark fragments.

It was realized that any who allowed such darkness into themselves ran a greater risk of failure because of the darkness within. Therefore, it was decided that those who volunteered to accept these darkest fragments would be helped in two ways: 1) they would also receive a fragment from one of the astral beings who had NOT fallen and who had remained pure, and 2) they would be given special help throughout their series of incarnations. I hope I am not taking away all your fun and mystery.

There are still human beings on the earth, right now, who were these special volunteers. (Recognize anyone?) They are generally those who appear to have more "essence" or "spirit" than others. Often they are responsible for the greatest "good"-- BUT, also for the greatest evil. Some among them lost the battle which they had assumed and became the worst of men. Others succeeded and became the best.

The Black Brotherhood (BB) drew its members mainly from the astral entities who had fallen, but some of them are souls who were originally "human", who had received the powerful dark fragments along with the Light, and who had allowed the temptations of flesh existence, materialism and selfishness to draw them into the downward spiral which could only be halted at death of the human physical body, followed by re-cleansing on the astral planes of learning. They carried enough unified essence (as a

result of the extra contributions) to remain individualized even in the very difficult vibrations where the Dark Brotherhood Brothers are confined--an environment in which most human souls could not be sustained. I will speak of the confinement of the Dark Brotherhood Brothers next.

WHERE ARE THEY?

In the astral realms are found many regions which are distinct one from the other. Some overflow with light and warmth of spiritual wisdom; others are completely permeated by darkness and despair, along with hatred and desires for revenge. The latter regions are relatively small and are locations where the basest and coarsest souls and entities are either "drawn" or specifically, confined.

Bad news, human brothers; the darker levels are akin to the earth plane in vibration. Because of this vibrational similarity, the influence of the dark inhabitants upon those in incarnation on the earth is particularly strong. For example, many souls who die after a life of addiction to drugs, drunkenness and debauchery are attracted to the lowest of the astral areas and from there can influence and, in a sense, obsess those who are still in the "alive" physical format. Their victims are only those who suffer from the same weaknesses and who frequent bars, brothels and other locations of coarseness and debauch. And you ones thought it was in your jeans, oops, genes, (sic, sic).

The discarnate souls attach themselves to their victims, from the astral side and are enabled to participate vicariously in the old habits by urging these unfortunates to indulge as they also had once done--beyond a given point you can be completely possessed and therefore forfeit any control over yourselves. Do you see, perhaps, why we plead, preach and insist on moderation in all activities and intake? You can become a helpless pawn in the clutches of the satanic demons in drunkenness, etc.

You will be struck harder, if you are what we call a worker and an etheric being involved in this transition circumstance. How better to "getcha"! They will cause you to take actions which will insure your own human counterparts (police and justice system) to take you out or cause you to take yourself out through suicide or accident.

THE PATH OF PROGRESS

I should note here, however, that these dark souls who are in the lowest and darkest astral levels are not confined permanently to those levels. If at any time they are able to raise their vibrations and spiritual insight high enough to gain access to the lighter and warmer levels, then they are welcomed into those levels. Now, do you think that might be one heck of an accomplishment? Some of you ones should remember very well!

This process is not "automatic". The darkened soul of low vibration literally could not gain access to the higher astral realms while he remains only at a base vibration. To place him in such a high frequency would cause him great pain and suffering--due to the mismatch between his basic nature and that of the higher astral realm. Therefore, he would immediately return to the darker abodes, where the pain is less. It is only by raising one's vibrations to match those at the higher astral levels that any soul can gain access to them.

NOW, I AM REMINDING YOU DEAR ONES THAT IT IS SIMILAR TO YOURSELVES TRYING TO GET UP A BEAM OF A BEAMSHIP AND INTO ETHERIC PRESENCE. IT ALSO ENTAILS US LOWERING OUR VIBRATIONS INTO YOUR BOUNDARIES -- A HARD JOB ON EITHER PART AND MOST UNCOMFORTABLE FOR BOTH PARTIES INVOLVED.

But now, let us go back to the DBBs, for there is an important difference. The entities in that "brotherhood" are able to "shield" themselves from the pain of existing in a field of light and love, because of certain mental techniques which are known to them--again, Satan is a master teacher. This technique allows them to have access to all of the astral realms as well as to the physical plane. Ahoy and uh-oh! "IF" there was not some "law" restraining their movements?

Well, relief; there is such a law. It had to be decreed because of the vulnerable human souls on the earth plane and those sojourning between lives on the astral. In the case of these dark entities, a superior force was brought into play which normally does not permit their free movement but which can be suspended under certain circumstances. This force fully restrains all of the dark brothers and is such that they cannot annul it.

For you impatient ones, I will get there.

DBBs TO TEST AND WEED

We have spoken of the suspension of the restraining force under particular circumstances, and we now will explain further. Previously in this journal I spoke of the important function of the DBBs toward the human race, namely to test and weed out poor specimens: those without the resolve and insight to allow themselves to advance to higher spiritual realms by increasing their vibrational frequencies. I emphasize that at the time of the setting up of the DB, human beings were by no means all equal in characteristics. Some had developed great wisdom and insight through the efforts put forth in the long experience since their beginning on the earth; others had never bothered to investigate the purpose and goal of their sojourn in the material plane and were possessed of very little insight or discrimination. The function of the Dark Ones

was and is to facilitate the division between those wishing and able to advance and those who have doomed themselves to failure.

It is very little different in perception--however, it is greatly different. You can no longer drift about in ignorance of journey intent for "the play is ending" for most of the players in the cast. It is time to get on with deciding which play you want to go on with. Don't shove forth that old "just be and it will be alright". No, brothers and sisters, it will NOT be alright. It is time for the choosing up team players, only in this game, YOU choose your team, not the usual way it's done--with the Captains of the teams choosing. They however, allowed to court and tempt you any way they can through mental manipulation and human weakness. But, both teams want strength, so you who are so mamby pamby you can't even decide what you will do today, aren't either desired particularly or weeded away--you are the ones who end up last in the selection and usually end up the loser. Your "New Agers" who "be" contribute more damage by being in the way of progress than any other contribution. You do not hinder the Dark Brothers for you act as obstacles in the path of Light. But, they don't particularly want you either for they know they already have you through weakness and ignorance--you have already "drifted" your way into what you would identify as your own enemy's camp while you are "showing the world" how wondrously pure you are. Satan gets a lot of kicks and laughs at your expense for you will continue to "be" right on into his eternity.

In order to allow the DBBs to carry out their function, it is necessary to allow members, under certain conditions, to gain access to other planes and regions that are normally denied to them. The permission, however, must be properly requested and then granted. The matter is never solely up to the DBBs themselves. When the DB asks to be allowed into a given plane, it must present its reasons, and it must offer something in return to the White Brotherhood, which is the broad term defining the Spiritual Hierarchy of this planet. For example, we at this level are a part of the White Brotherhood.

Generally, any specific request coming from the DB and which involves actions or access normally not allowed them, must be accompanied by an offer of equivalent advantage for the White Brotherhood. (Like--what will you give us, W.B., if we leave Dharma alone?) You can easily see we have not made that particular bargain as of yet.

DHARMA TESTED

As these offers and counter-offers are made, they are made before the Mighty Council and/or Cosmic Council of the Spiritual Hierarchy, which mayor may not give its assent to the exchange. The final decision is made at a very high plane, effectively beyond the level of any commitment to one side or the other. To be specific with an example: there was a point during the early development of this receiver, like the day before yesterday--(no, I jest, for it was a week or so ago) when a spokesman of the DB proposed that they

be given access to the receiver for a period of time so they could attempt to move her away from her appointed task. The plan was submitted for a decision and the effort allowed. We had no particular fear of her moving away from us-- we keep her too busy to notice anything else--and besides, we hit her with "Simon Peter" periodically to keep her humble.

So, they were granted the ability to tamper with the substance of the information; not the substance of the human receiver except as they could convince her she was too ill, or too weary, etc. At first Dharma had some confusion for I was also plugging in my circuits and it was, and still is, a miserable time. Always, you hit the receiver at a time of confusion and change over to less familiar energy frequencies.

AH HA! NOW THE PUNCHLINE AND DON'T ONE OF YOU EVER FORGET IT-- NEVER! NEVER! NEVER! IT HAD BEEN AGREED THAT IN ANSWER TO A "DIRECT QUESTION", THE DARK BROTHERS WOULD BE REQUIRED TO ADMIT TO THEIR IDENTITY. THIS OCCURRED, AND DHARMA WON THE ROUND. HATONN HAD TRAINED HER WELL, BROTHERS, BE MOST GRATEFUL. NOW, WHAT DID WE GAIN?

WE GAINED THE ABILITY TO TELL YOU ONES THIS INFORMATION THAT YOU CAN COMBAT THEIR ATTEMPTS TO DISSUADE YOU FROM YOUR MISSION. DHARMA WENT BLINDLY ALONG WITH HER CLEARING AND ALTHOUGH IT REMAINS UNPLEASANT FOR HER, SHE HAS SUSTAINED A LEVEL OF RECEIVING WHICH IS UNSURPASSED AND I SALUTE HER FOR THIS MARVELOUS STRENGTH. YOU ONES IN THIS LITTLE GROUP HAVE HAD A MOST PAINFUL TIME OF SEQUENCE HEREABOUTS. SO BE IT.

Let us have a break to renew a bit. In the Light I withdraw to stand-by.

Ashtar out.

CHAPTER 8

REC #3 ASHTAR

TUE., SEP. 5, 1989, 2:45 A.M., YEAR 3, DAY 020

TUE., SEP. 5, 1989

Ashtar to continue.

THE BAD SEED PROVIDES DBBs ENTRE

Widespread is the influence which the DBBs have upon average individuals. It reaches from the depths of the depravity which is found in drinking and drug dens and brothels, all the way to the boardrooms of large corporations and the very highest levels of government. In fact, the more degraded and higher the probable influence the harder and meaner the impact. It becomes totally integrated so that all facets play into the whole.

In essence, what the DBBs are able to do is to bring to life the embers which were taken into each human being at the time when the "gift of permanence" was conveyed. This I have already covered. Because the gift entailed adding to each human entity part of the essence of one of the fallen beings, these same beings, now of the DB, are readily able to tune themselves to the vibrations of any human soul frequency that has allowed itself to be colored strongly by the negative qualities of the "seed" which was taken in at that formative birthing.

Through this attunement between a human being and a DB, a magnification of the effect of that negative seed can take place. This is the origin of the concept that, just as each human soul has its guardian angel, so too it has its own "demon" or fallen angel and/or "bad seed". Strictly speaking this is not true, since the essence of a given one of the fallen beings is distributed among a large number of humans. The notion that a given human soul is more susceptible to the influence of one particular evil entity than of others is in general true, for the reason that I have now differentiated.

When the plan to distribute fragments of the fallen beings among humans was adopted, it was expected that the human entities would strive to purify and cleanse the dark seeds that were then implanted. Many have indeed accomplished this purification, and such individuals are far less susceptible to the whisperings of the DBBs than are their fellows who have never attempted to eradicate the darkness within.

An attempt to spur the human soul toward a particular action or thought which leads away from soul-advancement and which, followed far enough, would lock that human being into a downward spiral from which it could not escape, is attempted.

VIOLENCE, AGGRESSION--WAR THE MARTIAN INFLUENCE

I will now discuss violence, aggression and loss of temper. In its ultimate manifestation, this category of influence brings war on a massive scale.

It is not an inherent part of the human make-up, as originally created, to feel the hostility and hatred that are now seen so often in the world. These feelings have been introduced due to the combined effect of the dark seeds taken in at the time of the "gift of permanence", together with the influence of the planet which man calls Mars. The red planet harbors an immense thought-form of hatred and aggression which can strongly overshadow thoughts and events on the Earth whenever it comes to a close approach. These factors, spurred by the constant efforts of the DB to fan the flames of bitterness and hostility between men, have been sufficient to allow warfare and violence on an unprecedented scale to sweep over this earth.

In some of your Earth countries, notably Iraq and Iran, the hostile attitude has put its foul roots down into the very heart of the nation, darkening almost every citizen with its poison. There is little hope that the bloodshed and horror can be stopped in countries such as these. In actuality, some such countries will completely consume themselves. It will not be until the final death throes of the evil world system that those unfortunate lands will perceive the wrongness of their practices. By that time, however, it will most likely be too late to avoid destruction.

TEMPTATION

Next, let us speak of temptation. This relates specifically to the idea of "self". While it was always intended that humanity should develop a strong and stable image of the self, there was never any intention that such development should lead to a permanent coldness between humans. Nor was there the aim to allow the selfishness now rampant on the earth to permit one soul to control or manipulate others for purely personal reasons. Pride, haughtiness and any manifestations of selfishness have developed only since men learned to think of themselves as better than others, more deserving, more powerful, or whatever, towards power growth of self. Now you put the characteristics onto subliminal tapes and drizzle them into the subconscious to insure they are nurtured.

These attitudes poison relationships between souls and lead to permanent estrangement--producing a coldness and distance which can last over many lives in the joint experiences of souls who have allowed this to occur.

MATERIALISM: POSSESSIONS AND ATHEISM

Now, another big one: materialism. This is a very broad topic, but can basically be summed up under two headings: possessions and atheism.

The lust for material possessions has been aided and abetted by the rich life style of twentieth century having and living, at least for countries in the West. However, even in the so-called "have-not" (third world?) lands, there is a great desire for material possessions among those who have been exposed to the kinds of goods which are available in other places.

This arises because, in most instances, the souls who are born into the "have-not" countries are there because, among other reasons, they must learn NOT to covet material things for their own sake. When these individuals again see the kinds of goods that might be available, they rekindle the old covetous streak which they have brought over from a previous life incarnate, and they suffer because their desire to possess these things cannot be fulfilled.

The idea that atheism is related to materialism may seem strange to some, but perhaps I can point out that the surest way to lose sight of the higher realities is to fasten one's attention onto the things of the earth to such an extent that one forgets the truth that the material plane is only one realm of experience. Compound that with the concept that perhaps there is no other plane of existence and you have total materialism. If that goes further into belief that Earth life is but a passing phase lived on a plane which is not really the "home" of the human race, or that it is all there is, you have no reason not to respond to the total material persona.

If the mind becomes too obsessed with things and possessions, there is a great likelihood that the truths of the spirit will be passed over and forgotten. For many souls, this is precisely what has happened.

Your question should be, at this point, "How does one combat these categories of temptation?" The answer is too simple to be adequately utilized--LOVE!

It is LOVE alone that can surmount the barriers of distrust and hatred which man has thrown up due to his violent and aggressive ways. I do NOT refer to anything in your vocabulary that is defined as love; nor of hardly any of your physical human activities--which, by the way, are almost totally satanic in origin and fulfillment.

THE SOLUTION

It is LOVE alone which allows one to perceive that selfishness and the manipulation of others are not noble or spiritual paths to follow. It is love alone which can displace the lust for possessions in the mind of one who is caught in that dreadful trap. Only love can

broaden the understanding to the point where the soul sees that the purpose of life is not to collect but rather to give--not to hinder but rather to help others, not to aggrandize the self, but to place it into the service of the creative forces that have made this realm of Earth, man, and all the myriads of creatures which inhabit its many planes and sub-realms: The Creation.

Now, brothers, let us investigate how these traps are set for YOU!

GETTING AT THOSE ON THE PATH

There are numerous souls who instinctively know that there is a "Path" somewhere--a route which, if followed diligently, will allow them to achieve spiritual progress and a true grasp of the meaning and purpose of life. However, these souls are not all of the same discernment. Many are very young in the sense of experience. Let me use an example which is a favorite of one of the Cohans, Hilarion.

Hypothesize that a soul has had numerous lives of a rather common variety, living within the various traditions into which it has been birthed, adopting the bias of the environs, including all of its prejudices and narrow thought-patterns, never stimulating fully the realization that life has a purpose entirely incongruous to that! Which conventional wisdom maintains. Then, suppose that soul lives a recent life in which its experience is touched deeply by another person, someone who had this special awareness of the higher Truths, someone who demonstrated the beauty and love which could be expressed by one who is on the path of spiritual advancement.

In some cases, though not all, the soul who had previously been following a conventional series of lives might suddenly become stimulated to struggle more diligently, to climb out of the ordinary mold, to gain a far deeper understanding of the meaning of existence.

So, the soul is then born into the current life-pattern. Because of that previous contact with the spiritually advanced person, the soul is born with an intent. It watches and keeps looking around--seeking for something it cannot consciously identify. It feels that something must be just around the corner--some clue which will give it the understanding it knows it lacks, the grasp of meaning which is not present. Then something will happen that will introduce the soul to a different way of living or thinking, some teacher takes the soul into his circle of influence, some book seems to contain the signpost for which the seeking was probing and a circumstance is presented which can alter the pathway.

Here, however, is the test of discernment, of the inner recognition of Truth. For there are many false teachers upon the Earth in the present day, many so-called gurus and sages who hold out a certain philosophy of living and acting. These may attract the new seeker for a time, but if the teachings are not fully in tune with the higher Truths, or if the

teacher himself does not behave in accordance with the philosophy he proclaims (brothers, this is a BIG ONE), then the seeker is expected to see the dichotomy and to become aware that perhaps this mode of thought is only a half-way house of some sort, a way-station on the path to a better and higher wisdom.

Many souls do not recognize the trap into which they have fallen. They embrace the teachings, join the movement and become devotees of their supposed "master", defending him against all attack by those who have become disillusioned, often cutting themselves off from family and former friends--NEVER REALIZING THAT ANY MOVEMENT THAT PRODUCES DIVISION, COLDNESS AND ESTRANGEMENT BETWEEN HUMAN BEINGS--EVEN THOUGH IT DOES NOT OPENLY ESPOUSE THESE ATTITUDES--MUST BE IMPAIRED IN SOME WAY.

There are thousands of such movements now on Earth which fall into this category--of course there always have been the regular ones around also--those whose man-made doctrines have obscured the true original teachings. Because of the Cosmic Law governing the operation of these testing factors, we are not permitted to go about naming such groups, teachers or movements, nor do I have any desire to do so. However, I can and will list the kinds of teaching and activity which identify such forces, and the reader can form his own conclusions as he examines the various movements which are now on the Earth. Which, you will find, are almost all of them. I would wish to place in capitals and underline these items but will trust you to pay attention!

The most obvious traps are set by the movements which claim to be spiritual, but which are headed by individuals whose personal life-style is clearly the opposite of the teachings that are held forth. An example is the self-proclaimed guru or teacher who sends the new converts out onto the street, selling flowers or whatever to raise money, and who then pockets a large portion of the proceeds of those sales. Even if the teachings of the movement are in the direction of spirituality, the seeker is expected to be able to discriminate, i.e., to take only that which is in accord with his own inner feeling of the Truth for himself, and to reject that which is not in accord.

Most of the so-called gurus who fall into this category are counting on the inability of the new convert to discriminate. They expect the convert to swallow everything about the movement, on the grounds that some of the teachings are in accordance with the cosmic Truths of love and light. These ones will most often broadcast the term "love" and intimate relationship of spiritual integration, etc., ad nauseam. As an example, a body of teaching may include an insistence that love between mankind is the only hope for the salvation of the race, or it may refer to the functions of the guides and teachers on other planes, or it may stress the need to subjugate the self and undertake service to others. But each of these teachings can be perverted to an unworthy cause. For further example, the love between souls may be used to require the neophyte to love the guru or teacher unconditionally, or to give all of his possessions to the movement to demonstrate his

love. Or again, the reference to guides on other planes may be used to convince the new seeker that the body of teaching provided by the movement must be correct because it comes through direct revelation from such guides. Finally, the subjugation of the self can be carried to the point where total self-abnegation is required, so that the neophyte will be willing to work any number of hours a day to raise money for the movement--to in turn be utilized freely by the leader.

SEEING THROUGH SHAMS

The soul caught in such movements is not left without guideposts. He is not abandoned by his own guides, who are anxious to move him on to a broader perspective of reality. This can only happen when he sees the sham of the movement which has trapped him, and this perception can come if the seeker watches the signs and clues which come his way. The easiest way to discern the truth of any movement is to study its leader or founder.

If the leader or founder is living richly off the sweat of the converts, then he is a false guru. That is the most obvious means to detect fraud of this kind. But for those who understand the cosmic laws there are other ways.

For example, there is a law that any individual on the Earth plane must show on his physical form some sign or characteristic which identifies his true essence. The law is in conformity with the assertion that those who have "eyes to see" and "ears to hear" can always find the truth by direct observation. Look at the face of the leader; look at his bodily structure. Does he have a serene, "happy" countenance, or is there something sinister about him? Is he grossly overweight--I mean to the point of obvious self-indulgence, or is he crippled in some manner. Sometimes the crippling is the overweight itself. Now, don't go off the deep end--I speak of grossness. Or, is that one maintained so perfectly in body form as to be obsessed with his appearance and vanity? Does his appearance give you any reason to doubt that he has only the best interests of the "race" at heart?

There are other areas to study as well. Has the leader ever been hounded through the courts, or banned from any country? Have any of the followers ever developed mental aberrations or schizophrenic traits as a result of their exposure to the movement? Do the spokesmen for the group want you, first and foremost, to give an appreciable sum of money or to take some expensive course as an introduction to the teachings? I speak here of personal gain for the leadership itself, of benefit only to a few "top" people. Does the movement offer mainly success in the physical world (money, business, love, power) rather than a deepening of the understanding or spiritual wisdom?

I stress that the seeker is always given ample clues to the true nature of any individual or movement. He need merely open his eyes and read the signals directly. They never lie. Always good, too, to look at "what" a leader might end up in court about- remember, Immanuel was harassed quite notably by a court of "justice".

DON'T MISS THE POINT

As we deal with the groups and movements which are intended to trap the unwary seeker, let us not miss the point. Most of these things are aided, abetted and encouraged by the energies of the DBBs which are not to say that the leaders or main instigators are, themselves, mere puppets of the dark ones.

In some cases this is true, but in the majority of such movements, the DB merely spurs on the innate negativity and greedy ego of the leader, prompting him to seek wealth through the movement, or control over others, or fame--just to stand out in wondrous "holy" garb and espouse pearls of wisdom--his! As to the souls who become entrapped by the movement, they too are influenced wherever possible by the DBBs, who are attempting to keep them locked up in a movement where they will not be able to use their enthusiasm and energy in reaching directly out to their brothers living so called "normal" lives. The idea is to trap the unwary seekers in a vortex, to take them out of the mainstream, and, in many cases, to bring about estrangement between the seeker and members of his own family, so that the energies of the seeker will be tied up in the emotional struggle and thus be unavailable to help his brothers.

There is, however, an additional phase to the efforts of the DB to deter the advancement of the race through side-tracking seekers. They know that those who are impelled to find a spiritual path through life are the best hope of the world, for these souls has the possibility of reaching many, many other souls through their words and deeds. Because such souls are so pivotal to the salvation of mankind, the DB desires above all else to cause them difficulty, to side-track their energies, and to sow confusion and contention between them. DO ANY OF THESE THINGS HIT ANY NAILS UPON THEIR HEADS?

In terms of causing the seeker difficulty in his life-pattern, the DBBs are permitted to insist that certain karmic burdens which such souls carry be discharged at a time convenient to the DB. In most cases, the petitions by the dark ones are granted, and the karma is allowed to fall upon the seeker. The exceptions are made when the seeker is at a sensitive phase of his quest, and has placed himself in a position from where he could accomplish much which would lead others to seek a higher way through life. Aside from these exceptions, as we say, most such requests are allowed. This is why certain souls who are clearly aware of higher Truth will from time to time be visited by misfortune that does not seem to be tied directly with lesson-learning, and which is not even indicated by the planetary positions.

I have already dealt with the question of side-tracking the energies of the seeker, and have explained that most of this is accomplished through the various movements now on the Earth and which act as "backwaters" into which the seeker can be trapped.

SOWING CONFUSION AND DISSENSION

Finally there is the question of the attempts by the DBBs to sow confusion and dissension between seekers and/or workers. This is accomplished primarily through the telepathically or psychically transmitted material which has found its way into books. Naturally we, too, realize that our writings must be scrutinized in the light of the comments we are about to make and have made, but we have no doubt that the careful seekers will be able to make their own determination as to which Source they feel is the more "correct" for them.

There are certain specific kinds of teachings which are precisely calculated to confuse the unwary. To explain the most important of these we must first point out what many seekers already well know; that the person and mission of the individual who was called the Christ should be regarded as the very summit of revealed Truth for mankind thus far.

CHRIST'S TEACHINGS SHOWED THE WAY

Because of certain of His teachings--indeed, the simplest of the teachings--He represents a direct frontal attack upon the DB and all which they have attempted to accomplish in the millennia since the rebirth scheme was initiated. Specifically, by asserting that one should love one's enemies, Christ presented the single most effective way to overcome the temptations of Earth life and to confound the whisperings of the DB. By looking on one's enemies, or better, on all of creation--with pure love in one's heart, all of the negative emotions, all of the enmities and frustrations of life, simply fade away. Without these annoying factors, the DBBs cannot succeed in their declared aim of dragging human souls down to destruction.

The DB knows full well that the Christ's teachings in this regard are the single most effective means for gaining higher ground spiritually, and therefore, they seek in any way possible to undermine the reality of the figure of Christ and the validity of His message. This they do in two ways: the first is to cast doubt upon whether or not He ever lived on the Earth plane. There are certain so-called "messages" from other planes which contend that He was a reality on certain planes but not on the physical. Now, any who can understand that all of Creation is ONE, can surely perceive that if Christ was a reality on one plane, He must have manifested on all planes. To do otherwise would detract from the completeness of the message which His life represented.

Other transmissions contend that He was merely a man, and that there was nothing special about Him aside from the wisdom which He had attained through revelation or study. Again, this is intended to undermine the importance of His life, and to sow doubt as to whether He represented some special factor which had entered the Earth realm to live and walk with mankind. Well, He was merely a man who was greater than all men but He taught that any man could reach His stature and wisdom.

In short, any contention that Christ was less than a manifested special being whose life was dedicated to the spiritual upliftment of the human race, and Who was over lighted during the ministry years by the pure Glory of the Father Creator, must be carefully scrutinized to see whether or not there is a deliberate attempt to detract from the importance of the Christian message (and I speak of the "Christian" message in full Truth of definition--not what it has become in your eons of misinterpretation)

Other supposed teachings from other planes are also directed to undermining the certainty and understanding of the seeker. For example, some sources contend that the passage of time is an illusion, that all lives are lived simultaneously, and that there is no real distinction between past, present and future. Now, in a certain sense which can only be understood from a vantage point which is outside of the physical plane, this contention is true. However, the result of trying to fully grasp this philosophical notion from within physical incarnation can only be total confusion--what you perceive is time allotments and that is exactly what you get.

The consciousness of man has been given to him in order to allow him to perceive time as a flow, so that he could understand the great Law of Cause and Effect. Man does A and the result is Z. This always takes place in that order, and is intended to allow a perception of the truth that man, by virtue of the thoughts and emotions he harbors, makes his own reality.

If this latter idea can be grasped, then the even higher purpose can be served, namely to allow each incarnated soul to understand itself.

The DBBs do not want man to understand all of the ramifications of what we will call Karmic Law, and they attack the possibility of such a grasp by trying to confuse the seeker with regard to "time". If one concludes that the flow of time is an illusion, and that "all lives are lived simultaneously," then how can existence from one life possibly affect another? But "karma" does pass from life to life. (Karma is another of your misused words which has lost most of its true definition, but I find no other suitable.) At the level where there are manifested results of these experiences, it is quite correct and certainly adequate to consider that one life precedes another in an orderly fashion and sequence. The reconciliation of the Earth-based point of view with the higher grasp of time as a single instant which is "pulled out" into a stream by man's consciousness must wait until the seeker has reached the spiritual plane from which these ideas can be seen in their full light.

MISLEADING TEACHINGS

Now for one other example of misleading teachings. There are sources which contend that the galactic observers now in the region of the Earth are not all friendly to mankind. There is the suggestion that some are distinctly alien and even hostile, and that certain of these beings kidnap humans and kill humans and animal life for experimental purposes.

It is difficult for us to present a line of argument which will fully set aside the fears that such messages engender, but I will most surely attempt to do so.

Firstly, it is true that not all of the civilizations in this galaxy are highly evolved in a technical and spiritual sense. Some are comparable to Earth civilization, which presently are at the very bottom of the scale due to the self-annihilation which mankind practices through war, violence and murder. However, the present phase of evolution of the galactic entity itself is such that only those civilizations which have attained a state of awareness of the cosmic laws and who have overcome the base passions which lead to war, tyranny and self-annihilation are allowed to develop the technical means which are necessary to permit them to move to other parts of the galaxy. The ones who remain imprisoned in their own negativity and violence must also remain prisoners of their own planets--just as do you ones.

Hence, the other unevolved civilizations in this galaxy are also confined to their own local region of space, because they are not allowed to develop the technological means for escaping. In the case of man, the minor successes in terms of reaching the moon are the maximum which can be achieved using the current technology. No space entity would defy the cosmic laws to go further. That does not mean that attempts have not been made to extract information from ones who fall into your clutches. It does mean, however, that you have more allies in place on your planet than you had supposed at first glance. The secret of free energy (as you commonly recognize "energy") will not fall into man's hands so long as he threatens to pollute the rest of space with his hatred and his uncontrolled passions.

It thus follows that those civilizations that are able to make the journey to this part of the galaxy must be of an evolved nature, and this is true. If they were not, then with their vastly superior technology they could easily decimate this planet, kill all life, or set themselves up as absolute dictators (you do a good enough job of all those categories to not need assistance). No force known to humanity could stop them. BUT, THEY "ARE" STOPPED--BY THEIR OWN SPIRITUAL DEVELOPMENT. The galactic observers would never dream of attempting to interfere with man's path on this planet. That law is over-ruled ONLY when a planetary civilization has descended so far into self-destruction--as man has done--that it threatens not only to destroy itself, but to poison or damage other regions of space in the bargain, not to mention destruction of his only life-source, mother planet.

NUCLEAR WAR COULD DAMAGE FABRIC OF SPACE

Because man has been allowed to develop nuclear energy, there is a serious danger that, during the coming nuclear war—and there will be one—the explosions could actually damage the fabric of space itself. It is for this reason that the observers and participants are here in such numbers and remain on constant alert. Otherwise, we would wait until the allotted timing and do the Armageddon "thing" and get it all over with. We have a duty to the Galactic Being, namely to preserve it from damage committed knowingly or unknowingly, by humanity as it unleashes centuries of hatred and violence upon itself in the last death throes upon the Earth planet. At the same time we understand that we must be prepared to step in and rescue the noblest fraction of the race from the holocaust which man's unevolved passions will unleash. Without the possibility of such a rescue, there is a danger that man really could accomplish the complete annihilation of himself and all other life-forms on the planet.

The aforementioned instances of misleading and confusing information will suffice to illustrate the efforts exerted by the DBB to detour seekers from their path. Only one further area remains to be discussed, and that relates to the "direct" attempts to physically interfere with the projects that seekers undertake in the service of their brothers.

Dharma, I realize you grow very fatigued and I will close when you make a decision to do so. I do not have much more for this session so I will leave it in your determination. Perhaps we could slow a bit and be able to finish.

DIRECT INTERVENTION VERY COSTLY

I emphasize first of all that direct access to the physical plane of manifestation is extremely limited for the DBBs, as it is for the other more positive brotherhoods as well. The Law in this regard is that both they and we must primarily work through those who are in incarnation. Hence, the good that can be done in the world must ultimately depend on the willingness of incarnated individuals to put their time and energy into the endeavor. Likewise, the evil that manifests on the Earth plane must do so through the agency of those in bodies who are prepared to do the work of the DBBs.

If all who are attuned to darkness should cease to inhabit physical bodies, the evil afflicting the Earth would disappear, because there would be no more instruments through which the DBBs could accomplish their aims.

The rule that governs direct influence in the plane of matter is simple to state: the energy required to accomplish a given interference within the three-dimensional, second density material plane is directly proportional to the amount of good or evil which that interference can accomplish. For example, if a given interference is directed to producing

a clearly negative action-like a murder-the energy required from the DBBs to accomplish it directly (without one of their disciples being utilized) is enormous. Usually, unless they considered such an act indispensable to their cause, they would not be prepared to lose that amount of energy. Besides, it is not so difficult to find fanatics who will, say, plant a bomb aboard an airline. Now, on the other side, the force required to, say, cause a fire to suddenly emit a shower of sparks, for example, in order to jolt or frighten those sitting around it, is not nearly so great.

The main point which must be understood here is that they--and we--are under the Law of "Economy of Energy", so to speak. This means that neither we nor they have access to limitless amounts of energy with which to seek our respective goals. If only one side were restricted in this way, and the other had access to as much energy as it required, then the battle would not be balanced. If both sides were given all of the energy they wanted to use, the Earth plane would turn into an arena in which discarnate forces battled ad infinitum, leaving no room for man to pursue his spiritual pilgrimage--or anything else. Hence, the only workable scheme is to limit both sides equally.

So, now some things to look out for. The DBBs utilize the creation of robot-like entities at the etheric level, programmed to directly interfere with reality. For example, if the DB wishes to delay the publication of a book, they could send such entities to the location where the actual printing is to take place, after programming them to cause breakdowns and mistakes during the printing process. Mostly they will utilize thought pattern input to cause ones performing tasks to cause disruption or breakdowns. You may run into that very thing with these publications for the press prints some pretty low vibration material.

In order to create robots of the kind mentioned, the DBBs must actually donate a part of their own essence. When the job is completed, the essences are re-absorbed back into those who donated them. However, if the material going to create the robots should be destroyed by means known to certain seekers, before re-absorption can take place, then the re-combining cannot occur and the contributing DBBs permanently lose the respective parts that sustained the destroyed etheric robots. I trust you understand that etheric means invisible to the human consciousness.

YOU CAN DESTROY THE GREMLINS

The technique for destroying such etheric entities is to command them, in the name of Jesus Christ, to disappear and to cease to exist. In the name of Immanuel Christ, or Sananda, or Creator, or, or, or is quite as sufficient. It is that for so long now, the term Jesus has been accepted that the name is most distasteful to the DBBs. It is, further, not sufficient to order them simply to depart as that does not entail disintegration of the entity, only departure.

This is where you get the saying, "There are gremlins in the machinery," if a machine keeps breaking down. There are also good little fairies so I do not wish to be lopsided. However, gremlins serve a very definite purpose and, brothers, those particular entities are originated on the dark side.

The DBBs can also manipulate many of the currents and elementary forces which are most attuned to them in vibration. For example, although the element n fire" is a great purifying power on the Earth plane, it is also attuned to the notion of karma, the trial by fire, and the destruction of that which is consumed. Especially when the fire is burning coal (coming from the darkness beneath the surface of the Earth) the DBBs are enabled to manipulate it to their own ends. We should emphasize that such use of fire cannot be allowed to be kept outside of that called for in a karmic aspect, but the karmic burden of the race as a whole is still so great that the DB has great latitude in terms of how they may wish to use this elemental force.

Another process at work in relation to fire is the manner in which human beings provide the energies which manifest in many of the fires which destroy property. Fire is the phenomenon which most closely corresponds to rage and anger.

These connections of fire with anger are no accident. When any two persons indulge in a fierce argument, with much shouting and anger, but without giving full vent to the anger in a physical way, there is created at the etheric level a seething cloud of fire-like energy which seeks expression on the Earth plane. If it cannot find expression in violence between the two persons who created it, then it will, given the right circumstances, release itself in a destructive fire. Of course, some spark must be present to allow the fire to begin, but once it is initiated its full fury will manifest. If that type of energy is stored within, make sure you cleanse it with spiritual water, brothers.

POSSESSION

Finally, the DBBs are able to literally take over certain persons for brief (or prolonged) periods of time, and through them carry out specific actions. This can even happen to those who are normally of a spiritual nature, if such persons open themselves up to the dark forces. Most opening up comes through over indulgence in alcohol for it is the one most abused altering substance. When one takes alcohol into the system, in any form, an access opens at the back of the head, through which the darker forces, if they put enough effort into it, can gain access. Let me assure you that in this group, any effort is not too much.

Much can be accomplished in a short time by one properly placed, and the DBBs will normally only undertake this procedure if it promises to yield rich dividends for them. In the instance of a couple, often years are lost to Light service because one or the other of

the pair are kept in an addiction for that specific reason. Again, you must command the energy to withdraw and depart, in the name of the Christ. It will go for it is obligated to do so. It does not mean it will go willingly, without a struggle or instantly. However, if attended diligently it will depart every time.

Although I have set forth the main techniques by which the DBBs seek to influence humans in incarnation, I must point out that there are many instances which do not fall into the categories I have described. In every case, however, the seeker or worker whose intuition is open, is alert and asks for proper guidance, will be able to decide for himself when the DBBs are behind any particular manifestation on the Earth plane-- they are, remember, required to "wear" a clue.

Dharma, let us close for today for if we set the stress on the wrist muscles too intently, we will be delayed on the morrow. There is too much material to finish easily at this sitting.

I am most indebted to you for your willing service and I shall not mention Simon Peter again this day. So be it and Salu.

I AM ASHTAR, TO STAND-BY. OUT.

TRIALS ALONG THE PATH

SEXUAL MISADVENTURE AND MONEY

As ones become followers of the Lighted pathway (the Native Indians call it the Red Road), there are incredible trials ahead, I am going to speak of them in the order of severity of impact. The DBBs really go to work on your weaknesses and try to drag ones away from their good intentions, They play to the Ego, greed and power drives of individuals and I warn you to look around you and see the impact upon your world this very day in these separate, but united, areas.

Always as relates to human kind, sexual indulgence and greed for money always head the list unless one is already into some physical addiction which produces "need" enough to overpower these two; mostly it is all wrapped up into one package.

At some point on the Path, as we will refer to it henceforth, the seeker will be presented with these pitfalls.

When one embarks on the Path, there is a phenomenon which tends to lend to him a greater "allure" or attractiveness, He will have a radiance about him which is most magnetic, In most cases that attractiveness is not directly from any increase in personal magnetism of a sexual nature, but rather there is an additional factor of power and knowledge automatically called into the person's aura, It is this additional power which others sense, but because people today are so accustomed to interpreting this kind of impact in sexual (physical) terms, they mistakenly see the seeker as desirable.

Indeed, there is an enhanced attractiveness, but it is by no means at the sexual level. It usually pops its ugly head forth when a man who is not on the Path becomes enamored of women who are. Or, as often, women who are on the Path or involved in some manner or other, fall into the trap of a man who is corrupted at the lead of the flock on the Path. We will name no names in this document, but I know that you can name several instances which have spelled disaster for the humans involved.

Most of the involved parties will not understand the dimensions of the situation and just "why" they appear so attractive. The testing, of course, is for the seeker and is also the most destructive.

With this greater perceived attractiveness, beauty and serenity to others, and the propensity of others to read their own reactions in sexual terms, there is often an abundant opportunity for the seeker to indulge himself sexually if he so chooses. Exaggerated indulgence and misuse of the gift of procreation desires are the leading downfall of man and the evil projections of, it's "OK" and "open marriages" and "understanding experiences if it doesn't hurt anyone" seem to be the cop-out within or without the marriage contract. **IT IS NOT OK AND NO LAW WRITTEN BY MAN WILL MAKE IT OK. MISUSE OF THAT ONE PLEASURE HAS LED YOUR WORLD TO ITS DEATH. IT IS NOT LOVE; IT IS A STRUGGLE FOR POWER, CONTROL, PLEASURE AND SELF-INDULGENCE. IT WILL RENDER THE INDULGER HELPLESS TO FURTHER ATTACKS.**

Exaggerated behaviors will ultimately pull the seeker off the Path, because it would side-track his energies into exhausting pursuits, clandestine arrangements and drag his attention down to the purely physical level of such indulgence. Many, many potential seekers have succumbed to this elementary trap and have been lost to the hierarchy as really useful instruments for the salvation of the race of man, and pulled the partners in "crime" to destined loss.

Now let's talk about the next deadly trap--MONEY! As the seeker acquires more and more ability in terms of helping his brothers, the opportunity invariably presents itself to make money from his spiritual endeavors. The main point here is not how much money should be charged for spiritual help, but what are the true desires in the heart of the seeker. For some seekers, because their services require them to assume certain expenses, a relatively large levy is justified, and does not represent a failure in this testing process. For others, even a small charge would represent taking personal advantage of a gift from God which was meant to be shared freely with all, just as God gave the gift most freely, and therefore, this levy represents failure of the test.

Each seeker must look into his own heart on this matter, for it is his own judgement which is written down in the scrolls of Heaven! Those life scrolls always hang there as the sword of Damocles in every matter of choice and always it is what is within that gets noted there.

It is interesting that these two tests of which I have just spoken relate to the "vows" which monks and priests of many religions have traditionally taken throughout the centuries. The two most significant vows have always been that of chastity and of poverty. By having individuals take these two vows, the church, of course, was allowing the soul to side-step these temptations which would surely be placed in his Path. By subscribing in such manner to these vows, the soul effectively makes a promise which it

feels is very binding upon it, and because of this feeling of being bound, the soul tends to be less likely to fall in these manners. It obviously is not always effective and in these latter days of evil conflict, it causes the "churches" to rewrite the Laws rather than lose all their teachers.

In this age of terror and "everything that feels good--go for it"; it is deadly venture. If you have not been bedeviled by these testings, then beware for you shall be. Perhaps you have already met them and dealt with them. I pray that our workers can move on without having to drag you up from the pits to continue our work.

You must find balance. The temptations must be confronted head on and one must not allow himself to be drawn from the Path. The solution to the sexual temptation is to see sexual reality in its true light and not in the manner presented upon your silver screens. For two souls united and sharing of a family vision, they do not, obviously, not have sexual relations. The trick, dear ones, is to find balance, and to experience all facets of life with an understanding of their true essence. Joy, laughter and physical pleasure all have their place in the human experience, but the point here is that those things must be experienced in the appropriate circumstances and for the right reasons. To get better balance, confront squarely "when" you demand and "what" you demand of a partner and see to it that you are doing naught to pull that one down or away from his appointed tasks. YOU do not deserve simply by being here or there.

God makes nothing that is inherently evil or inherently good. It is man that determines the way in which the gifts shall be utilized. God is abundance and to avoid using money and having the beauties surrounding you that money can purchase is foolish -- that is an insult of God's gift. Self-indulgent finery from another's work is grievous. Man can use a hammer to build or to destroy; he can use a knife to heal or to kill. The determining factor is the motive in man's heart, and thus it is man that determines the good and the evil in the world.

So it is with both money and sexual misadventure. It is man who determines whether they shall become sullied and negative, or whether they shall be made into tools for serving creation and love.

HOW ABOUT SOME SELF-ESTEEM

Many souls do not have a strong or positive self-image. They are unhappy with their own essence, and this reflects in the personality, which tends to develop feelings of inferiority or worthlessness--or both. IT IS UNSUITABLE IN THE EXTREME FOR ANY SEEKER TO LACK A POSITIVE SELF-IMAGE! He must be happy with himself, for the simple reason that the Path which he is electing to tread is often a most lonely one. He will be required to walk it alone for certain periods, and if he cannot find

contentment merely being with himself with no other company, then he will in all likelihood break down in his resolve to serve the race. His dependability will also be in doubt.

When the guides of the human race decide to entrust an important task to a soul in incarnation, they must first be satisfied that the vagaries of Earth life will not throw him off the Path, that the loss of friends or a separation from a loved one will not break down his determination to continue on the high road. So the guides test the soul severely in this area--most severely, as most of you dear ones will note. The most common testing procedure is one which arises almost naturally very soon after any individual places himself on the Path: it is the breakdown or severe testing of whatever personal relationship the individual might have had at the time of the decision to serve.

It does not do to "just be drifting around already" for in that instance you are already using the relationship as a convenience and utilitarian device. (sic, sic.) Take a moment and look squarely at whatever relationship you are experiencing! Are you a giver or a taker? Is it convenient and comfortable for you to continue, etc., etc.? Look carefully to see if your impact is of assistance in truth or evil in intent of keeping your security blanket tightly wrapped about self.

Many seekers reading this journal will attest to the accuracy of the point just made, for many of them will have seen their personal relationship--whether marriage or some other close interconnection--founder, or nearly so, on the rocks of disagreement as to the importance of spiritual advancement and contribution. Typically the "other" partner will sense that the seeker has somehow placed spiritual matters above the relationship, and usually this is so. If that other partner is unable to accept such a state of affairs, then he/she will often present the seeker with an ultimatum: "It's me or all this spiritual 'stuff'", is a typical refrain--one which many seekers will recognize. Further, in some instances you will have a divergence in which spiritual guidelines you will follow and that, too, will be utilized as a weapon--"Well, I believe in another teacher so we will use mine." The thrust is painful and trying. If the seeker "gives in" for the sake of preserving the relationship then his path will be different from what might have occurred if he had adhered to his resolve. Perhaps neither choice is "better" than the other--but I plead with you to take very careful consideration to this matter.

The karma that would come to the seeker if he chose to abandon the partner who could not co-exist with the spiritual commitment would not be great enough to deter the seeker. Indeed, it usually happens that, even though the karma must quickly descend and be met, the rewards of having chosen the spiritual path would more than make up for the hardship of meeting that particular karma. Look carefully at your relationship prior to the choice--do you; perhaps, already wear the rose colored glasses of blindness?

I cannot be more specific here, since the "extras" which are given unto the seekers are highly individual, and exactly tailored to the preferences of the individual. Hard, Ashtar!

I did not make the rules nor the Laws of the Universal Creation, I only practice them and therefore, know what you can and cannot bear--your guide is Esu Jesus Immanuel Sananda; would He have been easily removed from His task?

GLAMOUR VS. FAITH

Let us now assume the seeker already has an abundance of faith, so now you are hit with another blast from "glamour". This particular test is extremely important, because many unwary seekers are drawn off the Path by it.

Let me try to characterize the attitude of mind that represents having failed this test. There are those who, upon first discovering a channel to one of the higher planes, or upon first developing their own "source" of information, become overly fascinated with the information for its own sake. They become excited to too great a degree. They think: "Isn't this wonderful! We can see all these past lives; we can talk to entities on the other planes; we can find out things nobody else knows!" Further, they can find themselves drawn into the circle of influence of a teacher or psychic on the Earth plane whom they consider to be very special. The person of that leader may take on a heightened importance for these seekers, and they might "glamorize" him out of all proportion to what he is really trying to do.

Of course, as mentioned before in the guidelines, you must be perceptive and watch the clues run by. Some leaders allow, and encourage, their students or followers to glamorize them, and this is a serious failing on the part of the so-called leader. But the truly discerning seeker will be able to determine such silliness, and realize that what is important is the service he can render to others, and the understanding he can attain in terms of the great spiritual and cosmic laws. The pursuit of the spiritual Path has no other legitimate justification.

EGO BLAST

Finally we will deal with EGO! Many souls, upon first becoming part of a group following spiritual goals, will be tempted to think of themselves as special, as somehow being better or more spiritual than their brothers who are still living "normal" lives. You know, somehow your soapbox is just a bit loftier than your brother's. No perception could have a more insidious result, because the very fact of putting oneself ahead of others has the precise reverse effect: the guides who watch the progress of seekers with special care will immediately relegate to the bottom of the list any individual who presumes to think of himself as holier, or more spiritual, or more worthy than anyone of his brothers, no matter how low the vibrations of those brothers have descended. The

truth of the matter is most simple; God loves all of His children equally. God has no favorites, for in a sense all are His favorites.

It is right here that the admonitions of the Christ Truth takes on true dimensions: He who would be first MUST be last; blessed are the humble for they shall inherit the Earth. Any who meditate upon the significance behind these seeming riddles will surely see that they express the greatest of all the truths in terms of seekers. Namely, that the purpose of the Path is to teach one to serve, not to lead; to give, not to take; to love, not to despise. One can only effectively lead through service, you can only receive love by giving forth love and you can only receive abundantly if you give abundantly. Seeming contradictions? Nay-truth.

Those who fail in this, the greatest of all the tests, must lose the right to be among those to whom is given the great privilege of serving the transition of the race of man and his world.

HOW IT "IS"!

A most crucial drama is being enacted on a little planet, the Earth upon which you dwell, from out of all the billions of planets and satellites strewn throughout this galaxy like cosmic dust broadcast among the living bodies of the stars.

Oh, brothers, it is the act of separation. It is the separation of the nobler from the baser fraction of humanity. This, that ones might progress in experience; that a planet in death seizures might be brought into transition and recovery--rebirthing and reberthing.

When the final decision within each individual heart place can be put off no longer, when each must make his choice either for or against his own spiritual advancement, which is when the race of man will crack into two portions--no middle ground--no "just be"! It will be a wrenching experience deep within the soul essence for billions of humans, for they will be the ones who must be separated forever from others whom they have loved through many life-times along their life-stream. But none will escape the choosing--NONE!

THE TIME OF THAT CHOICE HAS COME. THESE TEACHINGS AND WORDS OF FINAL NATURE WILL SOON BE BROUGHT FORTH AND THE TIME OF CHOICE WILL HAVE REACHED ITS POINT OF ACTION. NO ONE CAN DO IT FOR YOU-- THESE TRUTHS ARE ALL YOU WILL HAVE TO GIVE SUPPORT-- THE TIME IS COME!

In the few segments of time which you call years, perhaps months, much can be done; many can be salvaged from the dissolution which awaits those who cannot set their feet upon the upward path. If you do not get forth the Word, it cannot reach all in time. It is

no greater to pen the Word than to publish the Word, or make the movie or the documentary. It is a team job or it will not be done. Blessings infinite upon you ones who risk and dare for the teachings will not be desired as truth--the lie has lived too long to fall easily. You have naught, however, but to make it available--man, individual, must discern truth.

In the physical dissolving, though it will not obliterate the essence of any soul, (unless you bring into play destruction of your place through particle beams and/or nuclear chaos), it will remove the uniqueness that so many lives and so much effort have created. The ones that are drawn back into the common pool will never see their more advanced brothers again out of the same eyes.

All efforts will be thrust forth from the Dark Brotherhood to promote the split so that the greatest number will have failed to move forward into spirituality and Light. We are seeking, equally as diligently, to bring as many as possible into the love and radiance of new experience--a new and wondrous age experience for mankind.

You who receive of this recording can throw your energies behind either side, for that is your choice--your free-will choice! BUT IT IS NOW THAT YOU MUST DECIDE!!**!! IT IS NOW THAT THE HUMAN RACE CRIES DESPERATELY FOR HELP. IT IS NOW THAT THE DEDICATION AND FAITH OF THE SEEKERS IS BEING SORELY TESTED AND RETESTED.

I PLEAD WITH YOU. DO NOT FAIL YOUR BROTHERS; DO NOT FAIL YOUR RACE -- YOUR SPECIES, FOR THEN, MY BELOVED FRIEND. YOU WILL HAVE FAILED YOURSELF.

The peace and blessings of all the higher beings who watch over and care for humanity's struggle are with you forever more. I AND MY COMPATRIOTS STAND READY TO SERVE, TO ASSIST AND TO ASSIST IN ANY WAY -- BUT YOU MUST ASK FOR WE CANNOT ACT IF NOT REQUESTED FOR IT IS THE LAW OF THE COSMOS.

I REQUEST HEREBY, THAT THE PORTIONS OF THE OTHER TEACHERS BE ADDED UNTO THIS BOOK THAT THE SPIRIT OF EACH OF MY OWN COLLEAGUES BE MADE AVAILABLE UNTO YOU. DO NOT OVERLOAD; BUT PRESENT SEVERAL FOR YOU ONES OF OUR GROUP HAVE HAD MANY LESSONS REGARDING THE PRESENCE OF EVIL, SO BE IT.

MY GRATITUDE AND APPRECIATION, DHARMA, FOR A JOB WELL DONE. I PLACE MY HAND UPON YOUR HEAD THAT YOU MIGHT BE GIVEN REST AND PEACE. MY THANKS GO FORTH TO YOU WHO WILL TAKE THE PORTIONS AND PRESENT THEM--THEY WILL GO FORTH WITH THE POWER OF THE CENTRAL LIGHT. I PLACE THE SEAL OF TRUTH UPON

THESE WRITINGS. SO BE IT, FOR IN YOUR TIME WILL COME THE TIME OF
THE REVELATIONS AND PROPHECIES COME FULL CYCLE.

I TAKE MY LEAVE AND MOVE TO STAND-BY. I SALUTE YOU!

I AM ASHTAR

REC #1 HATONN

TUE., MAY 30, 1989; 6:00 A.M., YEAR 2, DAY 286

TUE., MAY 30, 1989

Hatonn here in Truth. Dharma, I have never proclaimed that what you will be asked to write is a great and joyful task. So be it. You will be given information that matches NONE of the historians' proclamations. If it were not so, why would we bother to correct your thought patterns? Even in thy consciousness ye should be able to see of the contradictions of thy long accepted teachings.

JUDGMENTS. RITUALS AND GOD UNLIMITED

First, I will shock you with a question so that we can move on. If, until the birth of the one, Jesus, there were "pagan" sacrifices, animals killed to utilize their blood to smear upon the doorframes, etc., how does that differ greatly from those today who kill animals to utilize their blood to honor a God? I believe YOUR God even had the families bring a dearest pet lamb into the home to love and cherish, for the children to play with, and gain of its trust and love; then it was slain, its blood used as "signs" and its body burned in a manner of "gift" before its very Creator. Oh, I see, that is maybe why Jesus came; to stop that nonsense. Well, along with Jesus' believers came the Crusades, murder of man in battle with brother, the Inquisition-pagans? Nay, "Christians"! Can it possibly be worse for a Redman to dance around a fire pit while honoring his brother relation of the Buffalo? YE ONES LIMIT THY GOD IN ORDER TO MOLD HIM INTO THY IMAGE. "CHRIST" IS A STATE OF BEING. JESUS WAS A CHRIST ENERGY. MOST OF THE ONLY "CHRISTIANS" REMAINING UPON THY PLACE NEVER HEARD OF ONE CALLED JESUS. THIS DOES NOT MAKE JESUS LESSER, IT MAKES "GOD" FAR GREATER AND "CHRIST", PERFECTION. STOP THIS PAINFUL CREATION OF MONSTERS. TAKE THAT WHICH HAS WITHSTOOD THE TEST OF EONS OF TIME AND ENDURED AS TRUTH, THEN ALLOW GOD HIS UNLIMITED, INFINITE RESOURCES.

If God changed His mind once, can He not change of it again? If He chooses, He can change of it every fifteen minutes and you are stuck with it. Well, He does not do that-- but you limit His actions constantly. Do you realize there is no place in thy Holy Books that speak to the Native Indian? How do your historians account for that matter? Oh, I see, they put it aside in that the Native Indians somehow sprang from the pagan, satanic

trash? Oh, dear friends, ye better get those blurred eyes focused on something besides library words of one's opinions. Ye interpret and re-interpret.

Let us consider the "Rapture"; that particular word is not even in thy Bible. This particular word comes from a Latin translation of a Greek word, "harpazo" (not even translatable for the Greek alphabet is different from English). It means, "caught up", "to seize", "to snatch away". Well, if one translated word can cause such contradiction of interpretation is it not possible there might be other contradictions? Then, let us see; you have Premillennialists, Midmillennialists, Postmillennialists and Amillennialists. "Just pick a number and wait?" Further, how can you measure? The "Biblical 'year'" was three hundred sixty days (360, not 365), when did it become 365? Who decided? Ye are now in year two, day two hundred eighty-six. Your Biblical scholars do not even take note of such a thing; call it "pagan" and satanical "stuff". No, friends, it is the very "clock" ye should be watching.

I do not mean to be unkind but ye ones could be a bit kinder in thy intolerance of one another. Ye go unto thy "churches" and "temples" and do all manner of things; light candles, drink wine instead of, but pretending it to be the blood of Jesus, ye burn of incense, ye eat grain in lieu of the "body" of Jesus. Well, the ancient Jews ate of unleavened bread. Ye kill animals in thy hunting rituals and feasting rituals. Could it be that the human simply makes errors in judgment? COULD IT BE? COULD IT BE THAT IN THY NARROW INTERPRETATIONS, YE LEAVE NO ROOM FOR GOD TO "TELL YOU HOW IT IS"?

Thy problems come because ye forget to utilize thy wondrous gifts of God. Ye cling to words of nebulous translation. Why can thee not go within to thy fountain of wisdom, the wondrous gift of God unto thee, and KNOW HOW IT IS? There are thousands upon thousands of books on thy place that speak to these issues and there are that many interpretations. CAN THEE NOT SIMPLY UTILIZE THE GOLDEN -RULE OF "DO UNTO OTHERS AS YE WOULD HAVE THEM DO UNTO YOU"? THE SECRET OF THE UNIVERSE, MY FRIENDS. Further, if you began to practice it now, ye would not give worry over a tribulation or transition or "Rapture", much less the dates of each.

There you have it; it cannot be as simple as that for you have missed the point. Ye are here to experience, learn and grow. There is a Christ and there is a Satanic Lucifer. Some of your rituals of positive nature you give unto Christ; negative nature is given unto Satan. Then, when the rituals are finished you mostly go back to giving thy souls right over to Satan in varying degrees of speed. Oh, I see, John Calvin or Martin Luther, Pope Paul or Joseph Smith had the correct interpretation? Let me tell you ones a point you had better remember: "ALL WERE HUMAN; THEY MADE ERRORS; THE Y "SINNED" AND WERE VERY OFTEN MISLED. CAN YOU NOT FORGIVE THEM THEIR ERRORS AND ACCEPT THE CHRIST PURITY FOR ITS VALUE AND STOP THE NIT-PICKING OF WHO IS GOING TO ACCOMPANY YOU ON YOUR TRIP

THROUGH THE RAPTURE? I TELL YOU WE HAVE A FLEET OF SHIPS (NOT CLOUDS) UPON WHICH YOU WILL "RAPTURE" UNTO. HATONN A PAGAN SATANIST? JOSEPH SMITH SPOKE TO EXTRATERRESTRIALS? YOU BETTER BELIEVE IT. JOSEPH SMITH ALSO MADE HUMAN (TOUCHED BY SATAN) ERRORS IN PHYSICAL JUDGMENT. SO HAS EVERY MAN FROM ADAM FORWARD. NEW SHOCKER: SO DID JESUS ESU SANANDA! BETTER REALLY REMEMBER THAT ONE, FOR IT IS THROUGH THOSE HUMAN EXPERIENCES AND ERRORS OF FLESH THAT YOU HAVE A REASON TO SPEAK OF "RAPTURE" AND "SALVATION".

EVEN BIGGER SHOCKER: THE NATIVE INDIANS ALREADY HAD THE SACRED CIRCLE OF INFINITY, THE CHRISTOS, BROTHERS OF INTERPRETATION. LIMIT "GOD", MY BRETHREN, AND YE WIPE OUT THY SPECIES. NO MORE, NO LESS. GOD IS INFINITE OR HE IS NOT; NO IN-BETWEEN.

Let me refresh; God is infinite. I KNOW--I, HATONN/ATON, KNOW! SO BE IT AND I PLACE MY SEAL UPON THE WORDS. I KNOW! YE ONES CAN NIT- PICK THE WORDS UNTIL. THY PERCEIVED HELL FREEZES AND STILL YOU WILL PLACE NO LIMITATIONS UPON GOD -- YE ONLY DAMAGE YOURSELVES AND LIMIT THY VISION TO THE MOMENT WHILE YE "GUESS" AT DATES AND THINGS TO COME. MEANWHILE, YE SLAUGHTER THE ONES WHO COME BEARING THE TRUTH OF IT.

Truth is not mystical nor magical. It requires no symbols, amulets, chanting nor blood-letting--It simply IS. Simple? Ah yes, until you ones make of it to be difficult.

SPIRITUAL FORCES

Jesus called Satan "the ruler of this world system" (John 14:30). That is why there is "earth". Satan has a highly organized army of fallen angels that are called demons. Brothers, your struggle is not against "flesh", it is against spiritual forces. Now, how is it that you disbelieve that there can be "goodly" forces working in thy behalf--to get you off this place of negative rule? Why can you not believe there might be ones from "Koldos" or "Hatonn" or "Pleiades Erra", "WHY" can "Satan" have all the goodies? In thy own solar system, Maldek (probably misspelled in thy English) was destroyed by Maldek beings--Where do you think energies were removed to? Where do you think the Maldekians were "raptured" to? Ah so, could it be thus?

Would it be thus? If you can believe in a "Rapture", how can thy minds not accept that there must be cause and effect? Ye cannot close out of the universe, limit Jesus Christ unto selves and run about in tiny circles with blindfolds upon thine eyes. Yes, the Christ came to intercede for you--and I will allow the intercession, for ye are but babes in

dreamland. Oddly enough however, the dreams are much nicer these current days than the awakening "reality".

Oh, chelas, chelas, can ye not break away from thy prison chains and "see"? Ye imprison yourselves even unto others of thy kind; thy "bosses", thy spouses, thy children--even unto thy "things" and "stuff". So be it. Live on as thee are and be shocked and surprised; 'tis but thy choice, do you not understand? Ye are given free- will choice and it is not mine, Jesus Christ's nor even Satan's ability to take it from you. Ye give it willingly--always, ye give of it willingly. Oh, ye do not care for the repercussion of the alternatives; so be it! You have some real alternatives coming down; and when this "big bang" comes down it is really going to be a "doozie". Better be sure thy asbestos suits have no holes--and by the way, better also make sure thy boats have no holes either.

Also, by the way, never mind all the concern about the pre-post-mid or "a" - millennialists or whether it will be pre, post, mid or "a "snatch up". BETTER BE GETTING THY HOUSE IN ORDER--THIS "IS" THE GENERATION, BROTHERS--THIS "IS" THE GENERATION! ALL POSSIBLE WILL BE DONE TO STOP THE ANNIHILATION OF PLANET EARTH--AND THAT POSSIBLY INCLUDES A LOT OF. "UN"LIMITED GOD ACTION. BETTER STOP THY TRYING TO FIGURE OUT IF THY NEIGHBOR TRAVELER WILL BE A WHITE MAN OR A RED MAN, BLACK OR RUSSIAN. COULD BE ALL OF THE ABOVE? SO BE IT!

LEARN OR FALL AND REPEAT

We use crystals, pyramid structures, domes, focus gems, etc., etc., for all sorts of things, none of which are to worship in order to gain power, wealth, sexual gratification or control of another. Can ye ones not move out of thy dark ages? Must you go right back into the practices which brought you down time after time after time? It is ALWAYS the same things which bring you down! Satan needs no new enticements; the old ones work over and over and over again. Could ye ones not at least be "inventive" and "creative"? Why can ye not see the "obvious"--why must ye turn always to the mystical? Insight and truth bring "freedom" and ye ones are terrified of "freedom"; terrified! For, in freedom ye must stand responsible for thy actions and choices--no one else to "blame" for thy failures at good choices.

YE COULD TRAVERSE THE UNIVERSE IF YE WOULD ALLOW FREEDOM (REAL FREEDOM) TO SELF. BUT YE "FEAR". "FEAR" IS THINE ENEMY AND SATAN UTILIZES IT AS HIS FAVORITE TOOL TO BIND THEE. OH YES, YE CONJURE UP THINE OWN DEVILS; COULD YE NOT CONJURE UP THINE OWN DIVINITY? WELL. JESUS CHRISTOS CAME TO SHOW YOU THERE IS NO DEATH OF THE SOUL, THEREFORE, WHOEVER YOU ARE, WHATEVER THE STATUS OF THINE

EVOLUTION; YE HAVE A LONG, LONG TIME (LIKE INFINITY MAYBE?) TO PONDER UPON THESE THINGS.

REPETITION? YES, AND I SHALL REPEAT IT OVER AND OVER AND OVER UNTIL ONES HEAR ME. MY TROOPS BETTER BE HEARING ME SOON. SO BE IT. I HAVE GAINED THE PRIVILEGE OF REPETITION--I HAVE GAINED THE PRIVILEGE AND BEING UNLIMITED; I SHALL UTILIZE IT.

Let us get on with the day, Dharma. I must have some silent time with you today, Chela, let the men sort of the papers please as you and I have matters which must be covered. Oh, precious ones, so much to be covered, so much.

I move to stand by and await thy petition. I am on ship alert; ye ones are in crisis.

REC #1 ESU JESUS SANANDA

SUN., MAY 28, 1989, 6:00 A.M., YEAR 2, DAY 284

SUN., MAY 28, 1989

Jesus here in the glory of the new day. I greet you with blessings of Truth and clarity of thought.

LOOK AROUND YOU

First, I will speak of "signs", then as we move on I will speak of individual needs. Know that the plan is well laid and if you continue in thy works we shall, together, find the way.

Many of you ones are finding maximum stress coming within thy lives. Illness of great severity will strike some in an effort of the Dark Brotherhood to bring thy works to a halt. Some will find more and more personal unrest in relationships, confusion, lack of direction and general upheavals in belief systems. You will again be torn into the direction of "searching II, being pulled into psychic predictions "to see if you have missed a thing". Take care, precious ones, take care for the more important ye are to the cause of transition, the more constant will be the bombardment. I am going to repeat something which Commander Hatonn has stated many times: "If thy life seems to be nonproductive, confused and filled with unrest, look carefully to see if perhaps ye are in the wrong place, moving in the wrong direction." Satan projects these self- imposed circumstances upon thy mind; ye weary of the "wait" or ye feel isolated and rejected, worthless and incompetent--completely confused as to thy path.

The hardest blow is to thy ego in that he will cause you to be much less than ye are; then, he will promise "take my route which is the easy way, and I will restructure thy life in abundance and fulfillment". He just never gets around to doing so. Remember, he cannot create; he can only play to your own freewill choices.

Ah so, ye lash out "then get us the things we need to do "your" projects and we will get on with it." Will you? Have you? What do you do with delays? Do you continue to wait impatiently while threatening to "leave" the projects; or do thee work harder at bringing forth the abundance? Do you think this is not of the testing? Why do you question God as to "why" these things happen; why do you not question Satan as to "why" he has pulled thee down and further, why have you let him in that he may do so?

How many ones who act as Judas do thee need in thy projects? How long will thee stand when the going gets really tough? How long will you stay untempted when the going appears to bring incredible power and monetary abundance? But most of all, why do ye continue to "blame" the cosmic brothers and unseen guides? Why do you continue to "blame" God thy Father for thy abuses and hardly attend the wondrous gifts sent in disguise? Thy choices, at this time, can heal or destroy of self. If ye remain locked into your own tiny portion related to affect on self, ye are missing the lifeboat. Ye are playing into the hands of thy dark brothers who will encourage you night and day to "blame" Jesus and Father God for thy plight. Stop blaming God for getting thee into thy mess but DO ask God to get thee out of it, please. He will bless thee and lift thee safely unto the shore. But, YOU must cease of the self-vandalizing.

"Well, when will we have these things we need?" ye ask. "I perceive they should have come forth long ago--"WRONG--IF YE PERCEIVED THEY SHOULD HAVE COME SOONER, THEY WOULD HAVE FOR YOU WOULD HAVE MADE SURE OF SAME. Please, may I impose upon Wally Gentleman, for his role is great? If money came from other than Tejas Shape, where would W. G. be? I have not stopped thy abundance; thy own silent mission intent has stopped fruition of thy conscious desires. Yet ye will punish yourself, in the waiting, for the dark inputs insist you do so. Ah Wally, ye are so blessed and beloved of me; I so pain at thy suffering for thy load is great. Ye will meet thy burden and have the strength to carry it. Thank you for not asking to be relieved of it, precious one. Take my hand, dear friend, and let me carry thee for a while. Let thy body rest in peace while it heals; ye need of respite.

Ah, dear ones, ye want "times", "places", "who", "what", "where", but most of all, "when". I repeat and repeat, "look around thee". 'Tis all there, moving right down the mouth of the funnel. Even I am not given the exact moment--but ye ones are still waiting until ye are given the exact moment, to make up thy minds which will be thy action. Do not tell me otherwise for I have the gift of insight--The questions and doubts are like a blinding fog around most of you. If you cannot accept "until" or "prove it to me", ye might well wait unto thy own downfall; mine is not to "prove". Ye ones came forth upon that blessed place for a purpose of "thy" soul; not "my" soul. 'Tis thy soul intent which must come into balance, not mine.

I offer forth mine hand unto you; I will carry you if you ask, I will most surely bear thy burden when it is too heavy; but, I cannot impose upon thee, my force of anything. Neither can thy brothers from the spaces beyond thy consciousness. Ye cannot make up of another's mindset. I, nor any other, can make of thy decisions--only thee!

SIGNS: TIME IS HERE

Let us speak of "timing". Ye are well into the portion of time which has seen all the "prophecies" come into reality of experience. Most have been in place for well over a decade. Ye were told that you would know. Well, the fig tree is beyond the budding stage; the new leaves are set upon the branches. You too, when you see these things, all prophecies coming together, recognize that it is near, right at the door. I forewarned that the generation in place when these things all came to being, would be the generation which would see the transition come to pass.

What were the major signs? Let me refresh thy minds. I would prefer, dear ones, that ye do your homework and study the Revelations. Why do ye ones hate of thy homework so badly? Thine way is not to be the way of ease and spoon-feedings.

Ye have increased activity in thy earth upheavals in more widespread manner than in all history of thy planet as ye know it. As the large quakes happen they will be more and more intense. Have I not said that one of the largest will split the earth from the Dead Sea to the Mediterranean Sea? Many countries will be split into portions differing in landscape from what is now present. The earth is in constantly building pressures. Can the atmosphere, so polluted already, bear the burden of volcanic toxins poured forth?

Famine? Is there not dead and dying in some of thy countries? Are there not hungry ones within thy own areas? Available food is not yet the major problem, but mankind who hoards for profit. It makes no difference to the dying children from whence does not come the bread. Are there not increasing and abounding homeless? Are there not more and more ones who call the gutters their home and await the passing of time that they might simply die and move on?

What about pollution? Is it growing better with all thy "curbs"? Is it not even rotting away even thy statuary? What might this be doing to thy precious bodies? It is not localized unto anyone place any longer--it is throughout thy world; from space, thee are a smudge-pot. Thy atmosphere is changed and beyond transposition.

One of the major prophecies was that Israel would be again founded as a nation; is it not so? But it took a land portion which belonged to another people. That fragile existence is so explosive that it will break at any moment. More than that, the thrust of the Israel peoples themselves is hardening and hostile. What do you think would happen to a messiah in that place today? So be it!

Thy own country of America, birthed in freedom and glory, is faded. It is already beyond rebirthing; it is ready to fall to monetary collapse. Weep for thy loss, for it is beyond measure. It will, however, contribute unto the ultimate transition of thy world for it provides a "place" for our work to go forth. It is still a great shelter for thy works; it is so written that it would come to be this way.

The Chinese peoples have between 4 to 5 hundred million persons available for military use, all ready with nuclear capability in place. Thy guideline was two hundred million from a given sector. The before stated troops are from thy place labeled China, alone.

Would you not agree that the Arab world along with the world's Moslems threaten a war that could destroy the nation of Israel?

Is not the entire world at the point of mass warfare over the areas of the "Middle East"? Could it be over oil, maybe?

Is not the European "community of ten" becoming more and more powerful and considering less and less the input of the United States? So be it. Is there not mass upheaval and reshifting in almost all sectors?

Worst of all, is not the entire world in terror of nuclear holocaust? Does it not come closer each and every day? Did not you note just in thy current week: India launched long range missiles with nuclear capability? Do you not think Satan will provide the ones who will supply the warheads?

YES, SATAN IS ALIVE AND DOING VERY WELL IN THY WORLD. VERY WELL INDEED. This is a subject which I will deal with at great length in the near future: "Why Satan has such reign". Hatonn told you ones, early on, thine is a "prison planet" of sorts. Ye have also been told, by ME, that Satan would have a period before the end, of total rule--look around thee very carefully before ye argue with me as to whether or not that may have already come to be.

All these signs of which I speak, and many, many more, are visible all about thee. Ye ask, "How can this have come to be?" **BECAUSE MAN HAS ESTRANGED HIMSELF FROM GOD. IN HIS GRASPING AT EARTH HUMAN FLESH GRATIFICATION AND EGO MONUMENTS UNTO SELF, HE HAS FALLEN PREY TO THE ENEMY--SATAN HAD NOT ONE BIT OF BATTLE TO GET THUS FAR.**

Yes, it has all been written that it would come to be this way. It is also written that I will again come to reclaim our Father's Kingdom and so I shall. But ye have another wondrous thing to await. There will also be born unto you a child who will appear to be born of man but is born of God. This energy will never have walked this plane before but he shall come unto you as God. Surprised? Well, so be it; so be it. Ye have many wondrous surprises yet awaiting thee.

It has been long, Dharma, so let us leave the keyboard for a respite. In humble gratitude for thy service, I take my leave. I bless thee and leave thee in peace.

ASK AND YE SHALL RECEIVE. BELIEVE AND REQUEST AND ALL THESE THINGS SHALL BE ADDED UNTO THEE! SO BE IT AND SELAH, AHO, AMEN. IN

REVERENCE UNTO OUR FATHER SOURCE, I STAND ASIDE AND AWAIT THY
CALL.

AU DAI PA DAI CUM SOLEN AUM SOLEN I AM!

REC. #1 ESU JESUS SANANDA

WED., MAY 24, 1989, 6:00 A.M., YEAR 2, DAY 280

WED., MAY 24, 1989

DOUBTS. QUESTION. CHOICES

In radiance, I come. We will speak of many things as we journey through this tight passage. Let us not tarry this day on painful subjects. All must come into confrontation with that which is more "reality" than the fantasy of daily sequence. Naught has changed. The perturbation and annoyance is as much for thy brethren as for thee. AS LONG AS THERE IS FREE-WILL CHOICE, THERE WILL BE DOUBTS. Ye must handle doubts for the blessings they provide--discernment. If there is always a bit of doubt, ye will check thy roadmaps often that ye not take a wrong turn at a crucial time.

The ability to question, reason and logic are thy great gifts. Ye have confronted Lucifer; ye have not yet, in this portion, confronted Satan. Ye "witness" the works of Satan; ye are enticed, tried and bribed by "Lucifer", the sly one. Decisions must be made on a moment to moment basis. With the input from thy lessons within these writings and the teachings of lifetimes, ye can make of sound decisions. Ye ones must look at all possibilities, both positive and negative in perception; for there are only "positive" ones in the outcome. Ye shall make of all things into "positive" experience. Ye cannot move in a "fog" of blindness. Most especially when it includes thy brethren within the fog bank of thy actions.

I could more easily bear a cross than could I have stood by and allowed my brother to be hanged. If ye lose of the loving "human" gift of caring, we have naught for which to work. What merit survival if ye lose that which IS life? Ye only have the truth of this moment and if ye stand strong through "this" moment, the next will be also passed by equally as swiftly. Only the players and the sequence of experience changes. From time to time ye must play at the game of "Devil's advocate" that ye do not blind of yourselves in false security of ridiculous "beingness". There is a difference in active "faith" and "being" faith. In "being" faith ye are not really "in" faith. For, ye are haphazardly existing and quite honestly, depending on others to produce that you can continue in thy "being". Ye ones must be very cautious for as ye grow, many, many ones will wish to come and allow you to act in their stead that they might "be".

Ones must continually work to upgrade self and skills. Ones must be working many hours in each day segment to learn, grow and polish potential. Ye must move from a population of "specialty" into a balanced and varied skilled community. If all thee can do

is sell a house, how shall thee eat when ye cannot grow of a garden? This is more a time of thinking than of heavy testing. Lucifer is a most helpful brother in the bringing of truth and variety of possibilities to thy attention. THERE ARE ALWAYS OPTIONS OF ACTION, CHOICES OF ALTERNATIVES; YE MUST UTILIZE THE MOST PROPITIOUS A VENUES OF TRAVEL AND UTILIZATION. Ye must ALWAYS check and evaluate how it affects the programs of the group, thy singular passage and that of thy brother; familiar and unfamiliar. Whatever might be the perceived problem, ye must always share and lean a bit upon another, for we are all in this "thing" together.

Yes, ye will each and all constantly be in evaluation and doubt. It is the lack of decision and the "drifting" into "whatever" that will destroy thee. Give head-forward, intelligent attention to these things as they arise and thy answers will flow. Sometimes thy brother will be given the solution to a problem and you will have missed of it. Be open; hear, listen even unto the warnings and temptations of Lucifer for he will keep thee on thy toes. Do not allow of him to touch of thee. His touch is smooth and he promises "ease" of passage. I cannot promise thee ease of passage but I can GUARANTEE passage. I do not promise wondrous negation of that which will be; I do promise to be with thee every step of the journey. I do not promise thee a rose with naught thorns; I do promise that I shall abide with thee in the thorned garden. I shall also pluck the thorned crown from thy brow.

Ye are at the threshold of bombardment of movement and activity. Ones of thy groups are not prepared; ye ones will need carry an incredibly heavy burden for an indeterminate period of sequence. Ye shall attract help as the "underground" messages go forth, but each and all require "time". Ye will despair and weary--pay attention to the red flares which warn thee of impending trouble. When ye are too weary and clouded by personal interactions and internalization, ye tend to err. Be always alert and cautious for that is when ye can be struck down by thy adversaries.

TESTING NEVER DONE

Precious chela, not only are thee not through with thy testing, ye shall never be done with thy testing. Yours is a job which can bear not untruth in the writing. Ye are not finished with the torment of this moment nor this week. Nay, neither I nor thy energy brothers will make decisions "for" thee--any of you. That IS thy purpose, to make decisions and come into the truth and intensity of the decision. Ye cannot "flap" in the wind as a string from a broken kite. Ye must be dedicated, willing to give "all" to the purpose upon which decided, and take action. Sometimes thy decisions will be in error--go within from whence comes thy help, and "listen". Ye shall be given the information to guide thy actions. Ye will be able to evaluate, change, improve and mold that which is better. Thy circumstance will change with the blinking of thine eyes; thy "goal" must not ever change. Take special care at each duty or enjoyment that can bring you down

physically--take care! That does not mean thee cannot do of it--TAKE CARE THAT YE ARE NOT AT ALL CARELESS OR GIVEN TO EGO "CHANCES" TO "SHOW OFF" THY GREAT IMPORTANCE OR TRAINED SKILLS. IT IS "PRIDE" THAT SHALL PULL THEE DOWN. BETTER YE LET GO OF THY "PRIDEFUL EGO" NOW, BEFORE IT BURIES THEE. Be careful, too, that even in the "faith" you are not pulled down. There is more "pride" in "accepting faith" than in almost any other area of experience. THE TRAPS ARE EVERYWHERE THEE ARE. EVERYWHERE. KNOW THINE ENEMY, AND BETTER, KNOW SELF FOR THINE "ENEMY" IN THIS BATTLE CERTAINLY KNOWS THEE!

Ye have been playing the game from the sideline. That will soon cease to be an option for each and all of you. You, like the rest of the "squad", thinks ye know the rules and have practiced in the scrimmages. When ye are in the firing line it will be the real test and then 'tis too late. In the heat of the battle will thy metal be really tested--THAT, BELOVED' ONES, IS WHEN LUCIFER BECOMES SATAN. HE NEEDS NO "BIG GUNS" YET; 'TIS UNDER FIRE AND LIVE AMMUNITION THAT YE PRAY THY BROTHER HAS LEARNED TO PLAY AS WELL AS HAVE THEE. THEREFORE, "YOU" HAD BETTER BE LEARNING TO PERFECTION. Mine is not to chide nor be "dramatic"; mine is to tell you truth and cause you to "think" in utmost care from both thy perceived positive and negative aspects. Thine enemies are trained in clever subterfuge, be they human or discarnate. Ye cannot "prove" faith, it is as thy "insurance" policies; ye cannot buy of insurance after the car is wrecked or the body is dead. Ye have to have already purchased the policy in thy "non-need" state. If it requires spacecraft parked on thy lawn or money poured for no reason from the skies, ye have not faith. There is only personal, inside acceptance--no "proof", and ye ones will learn to see the signs which are sent unto thee for thy support. Ye, of all ones, must have reached thy decisions in BLINDED acceptance of My presence and reality. Do not ask of any to do foolish nonsense in "proving" a thing and further, you do not do foolish things to "prove" a "thing". Foolish proving games are of ego and devil prodding--Truth needs no "proof", Truth IS! No more; no less. So be it.

Let us put this to close, Dharma. Ye are weary and there is much to be done this day, as all days. Go forth with Dalene that the bonding can be renewed and that she might find some joy in her circumstance. The birth of a child is to be shared with a mate and she has it not. Bring light within that joy can be abundant in what now appears most dreary. My blessings rest upon ye ones most dearly and most completely.

I AM JESUS OF THE GOLDEN RAY OF FATHER GOD; I AM THAT WHICH HE IS, I AM THAT WHICH YOU ARE THROUGH HIM. I AM THAT I AM.

I AM JESUS ESU SANANDA.

AU DAI PA DAI CUM, SOLEN AUM SOLEN ADONAI AND AMEN.

REC. #1 SANANDA (JESUS)

TUE., MAY 23, 1989, 5:45 A.M., YEAR 2, DAY 279

TUE., MAY 23, 1989

Who wrote Genesis? Was it Elijah? Job? Zeus? Dionysus? Moses? Adam and Eve? Perhaps Isaiah? Ah so! Do I make my point? Perhaps it was Aton; He certainly knew of it. Lucifer? Probably not for by this time he was called Satan, serpent, Devil. Why was he called these things instead of Lucifer?

I AM JESUS who comes again this day, Dharma, to speak concerning these things which must come into balance that ye might be prepared in Truth and not fable.

LUCIFER

Lucifer was created in total perfection. His name alone, gives cause to pause; it means "the Son of the morning", "Prince of the dawn", "The Morning Star" and "The Shining One". He was given the "seal of perfection". Father spoke of him as the "anointed" one, which meant supreme favor with Father God. This was the greatest being God had created, one who had unequaled strength, wisdom, beauty, privilege and authority.

The highest and most exalted position of the spirit realm was held by Lucifer, a creature who was perfect in all of his ways from the day of his creation. How could such perfection come to be the greatest adversary (Satan) known to the Universe? How could he fall to the level of "Devil" (accuser; slanderer)? How could perfection come into total imperfection?

The highest position in the angelic realm was held by Lucifer, a creature who was perfect in all of his ways from the day he was created. Hatonn has often been questioned when he refers to himself and to thee ones as "creatures". Precious ones, all things or beings created by God are creatures, just as the label implies. I, Jesus Esu Sananda, am a creature of Father God. No insult, the supreme compliment of the universal existence. Perfection of form does not just happen in accidental bumbling. I will, however, clarify terminology to be more exacting of definition. Since the creations of Adam and Eve the human has been "born" rather than individually "created", but, born in the image of the perfect creation and in likeness (soul essence) of God our Father. The birthed babe is blessed with the gift of "soul" by Father and agreement of spirit (Holy Ghost), and of the Son. We will discuss the patterns of possession of the child at a later time.

Well, precious ones, Lucifer blundered terribly--you would call it ego take-over in its finest hour. His "WILL" was his destruction for he used it wrongly, and since the perfection of the Garden of Eden it is used wrongly. Lucifer was given dominion over all magnificent creations of the spiritual world but his own perfection was his ultimate downfall. God realized there was the imperfection of unrighteousness within his being.

Lucifer was not content to "rule", he proclaimed his "will" and chose to place himself above Creator. He proclaimed "I will ascend to Heaven" and "I will be worshiped as God Creator" and ultimately he confronted Creator and proclaimed "I WILL be like the Most High".

When the confrontation occurred there was a great rebellion which erupted throughout the Universe. Lucifer led, of course, this revolution among the angelic realms. At least a third of the angels followed him into his downfall. He lost none of his perfection of beauty, intellect or power; therefore he could entice others of the angelic entities to join with him. What he lost forevermore, was his personal relationship with Father God. He was not given the power to "create" and was destined forevermore to need utilize "other" for his own experience. He was a being without nation or home, always to be apart from Creator.

LUCIFER JUDGED BY GOD

Lucifer became the first imperfect, unrighteous (sinful) creature. He and his angels were brought to trial before God and **JUDGMENT was pronounced upon him**. The realms of perfection were now imperfect. His name of perfection (Lucifer) was stricken from him and he was called Satan, the Devil (The Evil One). This was the birth of "evil" for it passed beyond the acts of mere "sinful behavior".

Dharma, it is alright for I stand beside you. Rest a-moment for you must understand. As free-will entities, you are forever in the presence of the energy of Satan. I "qualify" your shield of protection. I STAND BETWEEN THEE AND HIM BUT HIS PRESENCE IS RECOGNIZED BY THEE AND YE SICKEN. LET IT BE, CHILD, LET IT BE. THE CHILL WILL PASS. YE CANNOT UTILIZE HIS NAME WITHOUT HIS APPEARANCE; JUST AS YE CANNOT USE OF MINE, "JESUS", WITHOUT MY PRESENCE. HE CANNOT SURVIVE EVEN IN MY SHADOW FOR I REPRESENT OUR FATHER CREATOR AND I AM CLOAKED IN HIM. I AM! Just rest a moment, chela, I shall tend thee.

Ye weep for him. I weep for him. He is lost to all Glory, all beauty; he has no place except by using another's. Only the angelic spirits and humans have the gift of free-will choice. His ultimate plan is to get enough of thy God energies (souls) "on his side" in mass, through thy free-will choice, to again confront God. He knows he cannot prevail but

millions of souls will remain or pass into torment with him and his false promises. He has but to return in honor unto Father but he chooses to remain an alien to the Holy Realms.

Why must we speak of these things? YE MUST KNOW THINE ENEMY! YE MUST KNOW THINE ENEMY! YE MUST KNOW THINE ENEMY! SO BE IT; THY SHALT KNOW THINE ENEMY!

Dharma, ye were not chosen for thy weakness; ye were chosen for thy strength. So be it, chela, there are ones who will stand with you. Yes, we are going to set some misconceptions into order. So be it, that is our purpose, that you ones can know what ye are about.

What about my churches, you ask. What about my churches? Be patient, I shall get around to "my" "churches". They are contaminated by Satan, but all are not lost unto me. However, when you reach the level of a democratic vote to accept "evil" within, ye are in serious trouble. Serious indeed! We will speak later of these things; I wish to continue that you might know "how" it came to thus on thy beauteous place.

God created the Angelic Realms before he created the Universe. However, he created the material universe before the Angelic revolt. There is a great and tremendously important "gap" in sequence of knowledge upon thy place about that period of experience. The following will also account for the discrepancies in belief of how and in what time-frame recognized by ye ones, the earth experienced development.

Yes, Dharma, I know you do not wish to write these things. I am who I say I am and I, Jesus, speak Truth and place of My seal upon the words. Do you not recognize of Aton, child? So be it, for the way must be shown. The "beginning" is important because it is the cause of the "ending" of the story. See ye not? The ultimate battle of all is between the fallen one, Satan, and ME! Now, is the time for the claiming of thy souls and the sorting? I hold thine very tenderly--very tenderly.

Yes, I know. If ye put these words to paper ye become either the greatest fool of all creation or the true bringer of "Truth" to a very troubled land. 'Tis thy choice, child, 'tis thy choice.

POINT OF NO RETURN

Once ye begin, ye cannot turn back. Ye will not be discounted by as many as ye believe. The Evil One, himself, stands in wait for thy decision. How can it be thee? Oh, precious one, open thine memory and allow thy knowledge to come forth. It MUST be thee! It MUST BE, FOR YE ASKED. Ye are an old, old soul--a master teacher, and ye asked! YE ASKED, AND I, THE LORD THY GOD, ACCEPTED! It is time, also, for those ones

around you to waken from their sleep and recognize of their journey upon this wondrous place. Take a respite now and go ponder these things; I will not leave of thee but ye must come to thine own decision. Read of the words thus written and ye will know of the Truth. I hold thee most gently in my protection, but ye have to decide alone; there are some things that none can do for thee, 'tis thine alone. FEAR NOT FOR I AM WITH THEE EVEN UNTO THE ENDING OF TIME. AHO. COME WALK WITH ME, TARRY WITH ME AND COME FORTH INTO THY BALANCE. IT SHALL COME TO BE IN THY TIME UPON THIS PLACE. IT IS SO AND SO BE IT.

APPENDIX V

REC #1 ESU JESUS SANANDA

SUN., MAY 21, 1989, 6:00 A.M., YEAR 2, DAY 277

SUN., MAY 21, 1989

Put forth thy hand into mine and there will be peace in the valley for thee. I make no idle promises, chelas, there will be peace for thee. Come unto me and I will give you rest, yes, but you must first do of something to have made thine self weary lest you need no rest. Most are resting and will never move from the inertia of the "rest" period. How about this, we will work at "balance" and ye won't need of so much resting. I AM JESUS WHO COMES THIS DAY, UNTO YOU ONES OF MINE FLOCK. DHARMA, I GRANT THEE PEACE AND HARMONY THAT YE MIGHT FULFILL THY TASK IN TRUTH. WE WILL SPEAK OF MY NAME, JESUS, FOR IT GIVES THEE GREAT DISCOMFORT.

WHAT'S IN A NAME?

What is in a name? It is only a label that you might recognize of a person who is without thy presence. It is a point of reference. If it is a pleasant name, many ones will choose that label for their children. Ones naming their children will choose one which their very soul nags them to choose; it is why parents would do well to find what a name really means before placing a sign upon a babe.

Sananda tells the story of who I AM. Jesus tells the story of who I was at one time upon thy earth plane. Just as Dharma tells the story of who you are at a level even beyond thy present ability to understand. Thy earth given name only refers to a human female person. There are many reasons that I was called Jesus at the time of my birth but it matters not right now for purposes of this discussion.

My name has been used falsely upon thy place to the point of ad nauseam. It is utilized in curses, for curses and in the name of curses. Ones pray unto me for all manner of greed and selfish nonsense--a very bad "habit". Mostly, the use of the title only conjures the darker responses to thy brain for mine ones know me. You hesitate to utilize a word that conjures such dark overall responses for ye know that energy which is mocked is not of me. 'Tis why it is, at this point, easier for most to accept a "space commander" than to accept that I am back into thy physical lives. I am truly the "last" one most wish to have "back" in thy lives. I am nice on Sunday morning, or a sunrise service or especially on a Good Friday. Good Friday especially is nice for it represents an incident that absolves ye ones from any responsibility for thy actions. After all, did I not die and spill blood that forever more, thee would have to do nothing but believe I existed and gave all for thy

salvation? So be it! Just eat of the grain and drink of the vine in My name and all is absolved?

While you are doing that very thing in habitual trance, my brother of evil is moving right in with thee. He tells you loudly you need do nothing, old brother Jesus (only he will misuse My name; he loathes My name and will not stay in its presence) did it all for you and absolves you of responsibility. Therefore, how about you giving me a place to stay a while. You see, chelas, when Lucifer was tossed out on his ear--he has no home, no country--no "place"--he must take yours and you must invite him in. So, he will make grand offers, in the name of goodness usually, to get a bit of a hook into thee. Ah yes, he even helps you for a while, and then he desires more and more and more of you. He was cast to the Earth for he no longer has a place in the Father's realms. He will forever more do battle to establish his place, depriving thee of thy place--and you give it willingly - openly. When you give totally, you are perfectly possessed and you consequently lose all defenses against the creature. This is "evil", far beyond what ye call "sin".

First, the evil creeps upon thee. At entry point, Evil Spirit tests the water a bit, catches the host in a depressed, helpless or self-miserable state of being. Then he prods a bit, tempts a lot and moves very carefully within. The decision is then made, no matter how tenuous, by the "victim" to allow that entry.

Then he works very carefully and in total dedication to the "capture". There are the erroneous judgments by the "victim" in vital matters, as a direct result of the allowed presence of the Evil One. This is in preparation for the next stage of the move in.

In the beginning the poor "victim" knows it is an alien energy moving in (I don't speak of space brother aliens' or ones from another country). I do speak of disembodied spirit, disincarnate spirit moving in to utilize a human physical being. He feels the "force" of that energy and in the upstart it is usually most comforting for all the while ye are being promised all manner of wondrous adventures and "things". As a result of this, however, the "victim" **LOSES CONTROL OF HIS FREE WILL!** Therefore, the same action causes loss of control of decisions and actions.

If ye have not placed My protection about thee, ye will listen to this one and his lies. You **WILL LISTEN** even if ye know it to be lies. Then, you will begin to actually respond to the lie as truth and lose of thy discernment.

Once you are thoroughly enthralled with this stage of participation the Evil One begins to "set the hook" and move toward **TOTAL** possession of thy **WILL**. At this point, where thee can still question and deny entry, you are still most vulnerable for the master of evil picks of his time in great care. By this point you are usually in human desperation of one type or another. If, at this point, one allows extended control you are most likely doomed to the potential completion of the take-over in total. Thy world is overflowing with the unsuspecting and totally controlled human beings. All the stages are overlapping and

undetectable. Then you better be using My name in some form (but "Jesus" is the most dreadful one in the ears of the evil one, for he knows it well). That name, JESUS, on your plane is recognized whereby "George" is not-all parties involved who have heard the name know it to be of me, of Light. In southern Lakota Sioux, it will be another label but just as effective. Better hold tightly to that which you recognize. It is the "focus" of pure intent, not a rounding off of your consonants and vowels.

Me, and mine, have been so misused that were I to appear as if by magic in great "miracle" form on Mr. Swaggart's or Mr. Roberts' stage, I would be tossed quickly into thy jail cell. When the time is perfection I will appear when and where I choose and I most surely assure you, I will not be tossed anywhere!

BEWARE WALK-INS

Beware, beloved ones, of ones coming in proclamation as "walk-ins"--and here I shall make enemies for you, Dharma. Yes, there are agreements to be utilized in thy physical format for Father's purpose--these are agreements and one utilizes one's own FREE WILL choice to go the way of perfection. MOST ONES WHO ARE CONSIDERED WALK-IN'S ARE THE TOTALLY POSSESSED, HAVING SACRIFICED "FREE WILL" UNTO ANOTHER ENERGY. THE ENERGIES OF THE DIVINE SOURCE DO NOT "EVER" TAKE THY FREE WILL. EVEN IF YOU "GIVE" THY FREE WILL BACK UNTO THE DIVINE SOURCE. BE WILL BLESS YOU AND GIVE IT BACK THAT YOU MIGHT WORK IN HIS MOST HOLY LIGHT-NOT TAKE OF IT FOR "CONTROL" OF YOU! NEVER! Sometimes it is simply an incorrect projection of one "feeling" so totally alive in God that prompts the use of the term; however, guard well--"WALK-IN" IS A TERM OF "TAKE-OVER" BY THE EVIL ENERGY NEEDING A "HOME"!

No, billions will not care for the above declaration, for they will realize they have been "had". How else do you think Satan will have such a foothold to completely control of thy planet (as the Revelations foretold) if he does not "fool" of thee ones? And, yes Dharma, you will be denounced by ones that will really bring thee pain. For it is a misconception and it plays into the "new" religion which will sweep of thy planet.

Yes, you can be "CONSUMED" with love and action for the Great Divine Spirit of Creator; you must surrender unto that energy. Ye may give of thine energies to walk in the Truth and Light--BUT, FATHER SOURCE WILL NEVER "TAKE" THE CONTROL OF THY CHOICES AND FREEDOM OF WILL FROM THEE. THAT ONE PROMISE IS WHAT GIVES ME. ESU JESUS SANANDA. VALIDITY! I will again petition, in thy behalf, that ye ones do not know of that which ye do. Ye will be again given the opportunity to hear Truth and be shown the way. Then, again, the choice of free will decisions will be placed back into thy hands for thy final decisions. Ye better

be looking within for 'tis only at the center of thy own soul being that you can remember the Truth. Only at the inner core of that which you are (you are not that which you appear in human form to be) resides the Truth and the Evil One cannot remove it for it is GOD! "HE" CAN CAUSE "YOU" TO LOSE THE MOMENT AND MARK THY OWN DESTRUCTION. FRIGHTENING? I CERTAINLY DO HOPE SO, BROTHERS AND SISTERS, I CERTAINLY DO HOPE SO! CALL ON ME BY WHATEVER NAME THEE CHOOSES; I WILL COME--I FEAR NO BATTLE WITH LUCIFER. FURTHERMORE, IF THY INTENT IS TRUTH, I DO NOT LOSE ANY SUCH BATTLES. YOU MAY BE BRUISED AND BATTLE WORN--NOT ME! NOT ME! SO BE IT AND SELAH. HALLELUJAH, AHO AND AMEN! TRY IT FOR YOU WILL LIKE IT IF THEE ARE HEAVY LADEN AND DOWNTRODDEN. SATAN WILL GIVE THEE NO PEACE NOR REST FOR "HIS" IS TO NEVER FIND REST OR PEACE UPON THE PLACES OF THE UNIVERSE--REMEMBER? IT IS CALLED HELL! BECOME HIS ANGEL AND HOUSEMATE AND YE REAP "HELL"! SO BE IT-- THINK HARD ON THESE THINGS!

The efforts will be to shut you down, shut your mouth and not allow thy building in this wondrous place. I take no notice of who you claim to be--you had better take notice of who I CLAIM TO BE, FOR I AM AND I KNOW WHO I AM; WHO BE YE? I AM HE WHOM YE HAVE AWAITED. DENY ME IF THEE DARE FOR THOSE WHO REMAIN AGAINST ME SHALL FALL! This is, however, why these pronouncements must not go forth in general public distribution from this place-our building would be stopped. They will go forth in truth from another location that only My ones, in this location, will be able to know of this scribe.

Thy practices of "mysticism", in its true definition, will be thy destruction. The signs are all about thee now. The ones who use My name in Truth shall prevail. So be it. For in these manners will ye be able to find one another in order to fulfill thy purpose.

Take ultimate care in discerning these preternatural (evil) energies that come to plead entry unto thee. Take not of their enticements and of their threats. They cannot create-- they can only utilize what are rightfully thy strengths. The threats ARE the evidence of their limitations, for they cannot attack and seize control of the will in a "direct" manner. They can only work through the senses, in order to assure the continuance of that most basic element of all human possessions: THE CONSENT OF THE "VICTIM" BY HIS OWN WILL!

All ones are touched by this element. Look closely at self and honestly take note of any addictions which hold you hostage, this being a good example. Look carefully at thy desires and why ye might hold of them. Check to see how far along in earthly, fleshly possession thee actually have traveled.

For all the blandishments of success and happiness, for all the visions of special freedoms that may have led to this point, once control is yielded, virtually all personal freedom ceases from that point on. This is the most profound personal choice that can be made.

Significantly, the option to relinquish all freedom of choice rests upon that very freedom guaranteed by God as long as the person chooses to be free. The choice can only be made BY the person; it can never be made FOR him. If the fundamental option is made to relinquish that freedom of will, then possession has been accomplished in its most essential and conclusive step. The simultaneous decision is to reject God and Jesus and the humanness Jesus (ME) made possible. Divine light is no longer theirs. There is a vacuum of any such deep knowledge as contributes to that humanness. All luminosity for the soul is progressively snuffed out. Into the vacuum Evil Spirit pours its own light and knowledge. He will even call the Kingdom his; and call himself the Prince of Light. He is false and places you into the role of a person of THE lie.

SATAN RARELY DELIVERS

At first, you can play his game and expect all sorts of wondrous things to happen for his promises are great. Remember, he can only utilize YOU, however. Thy own abilities which you have long denied use by thy own grand self. Watch what you are doing and look for the effects of this special diabolic light and how much "help" you seem to be receiving. He will cause you to feel surges of self-confidence beyond that which you believed you held, he will help you in thy work if it means growth and comfort for him, he will often give you forewarning (fortune telling at its best-or worst), you will be given sneaky little inputs and enlightenment about thy earthly opportunities to pursue individual satisfaction or prosperity, and also given additional fresh information's, mental energy and always the promise of, and temporary, POWER OVER PEOPLE. EVERYTHING THY EGO WISHES AND LONGS FOR BUT HE NEVER GIVES THE ULTIMATE FULFILLMENT OF PEACE OR "HAPPINESS"; HE ALWAYS KEEPS THEE SEARCHING FOR LOVE, BALANCE, HARMONY AND PEACE. FOR THOSE THINGS ARE THE THINGS OF GOD BEING.

But, look most carefully for the most striking effect of the light and knowledge of Evil Spirit; the most extraordinary and dramatic change it effects in the judgments, principles, and outlook of the host personality, together with an ever-growing sense of loss of self-control, even to the point of a loss of awareness of one I s actions. Look for the performance of actions for which ye have no answer of why ye did a thing nor recognition of motivation.

Oh, my beloved ones, ye must take care; I beg on bended knee at thy feet--take care. Ye will be sorely tempted in the most subtle of ways. If ye stumble I can pick thee up if ye but ask. IT IS THY FREE WILL I HONOR; DO YOU SEE? SATAN HAS NO FREE WILL. HE HAS NO VALIDITY UNLESS YE GIVE IT UNTO HIM! NONE!

Take caution, for just to bring this subject into thy presence pulls in the energy. Dharma is ice cold and repelled by the hatred being thrust at her very being during the writing of

this lesson. Further, I must allow her to experience of it, for she also clings unto me for her protection and knows it will endure. Ye have strength in the "knowing". The Evil One has no strength other than that which ye ones give unto him. Except through thee he can do naught. That is why ye ones must be wary of thy fellow man, for it is through the human the Evil Brother works his evil--most often, completely hidden from view in the guise of goodness. BEWARE!

NO DEAD MARTYRS

Yes, precious scribe, the "fat is in the fire", as you would say. Ye will not turn back, even be it that ye could retract of these words. Thy mission is bringing forth Truth at this time of mass confusion and reign of lies. If thee steps forth on the foundation of Truth, thy brother can have strength to step forth with thee and we will make great and rapid strides in our purpose. Blessings be unto ye who dare. However, just to stand and dare, is of no avail. I need living hands, not dead martyrs. So be it and attend it well.

I AM THE WAY, I AM THE LIGHT AND EXCEPT THROUGH ME OF THE INFINITE CHRISTUS TRUTH, SHALL MAN PASS. I COME TO SHOW THE WAY. I AM THE WAYSHOWER; I AM THY TEACHER (LORD) COME TO THE CHELAS (MINE STUDENTS). I COME WITH THE HOSTS OF ANGELIC TRUTH TO LIGHT OF THY PATH THAT YE STUMBLE NOT.

SO BE IT, I AM; SOLEN AUM SOLEN AND I AM MAKING MY CALL UNTO THEE.

I AM ESU JESUS SANANDA OF GOD OF LIGHT, THE INFINITE CIRCLE OF INFINITY. I OFFER MY HAND UNTO THEE FOR I COME TO RECLAIM MY FATHER'S KINGDOM UPON THIS WONDROUS CREATION. I PLACE OF MINE SEAL UPON THESE WORDS THAT THEY NOT BE CHANGED. NO MORE, NO LESS.

APPENDIX VI

REC #1 ESU JESUS SANANDA

FRI., JUL. 28, 1989, 7:00 A.M., YEAR 2, DAY 346

FRI., JUL. 28, 1989

THE WORDS OF JESUS CHRIST

I come that ye might have understanding. The Father has promised that man shall be given the Truth and the Word before the ending of the cycle. He promised it would go forth unto every corner of the Planet and so it shall. Man will then be given an opportunity to choose in knowledge that which he wills to choose. At the time of the ending he will then have made his choice of placement in the universal kingdom for each will have a level of understanding and soul growth which will place him at his station of proper dimensional achievement. It is level of soul proficiency, not placement of "one higher or above another". We of the higher planes do not have the problems facing man of the "human EGO". Bringing under control the human ego is the challenge of the human experience in density of dimensional vibration known as Earth level. This is why ye were given of free-will choice, that ye could grow and learn correct choices which would bring you back into the purity of Christ Spirit that would in turn allow return unto Father Source in perfection.

It is quite sad and at some times, quite hard on the memory of Paul, that much of my teaching was left to be utilized in Paul's format. There was much that Paul wrote and was preserved and presented as the Truth in all instance. Nay, Paul took many liberties with Truth and did his teaching in confusion. Then man took the least offensive teachings and has utilized them for further control of mankind. In instances he imparted great wisdom, but I NEVER GAVE OTHER THAN THE COMMANDMENTS AND LAWS OF UNIVERSAL TRUTH WHICH HAS NOT GENDER NOR ENFORCEMENT "REGULATIONS". Paul has, and will until perfected, grown that he might come into unconfused thought patterns that his soul might have total freedom; he is still blinded by adversity and indecision and a great desire for self-security. He still has his choices to clarify and rectification to accomplish but Father always gives the opportunity for experience to balance and justify. So be it and blessings upon these words.

I will now tell you that which I said unto mine brothers at my last meeting prior to taking leave of the group with whom I had spent my days. I wish that we could sit as we did that day, upon the mountain in wondrous communication--soon, dear ones, very soon now.

My path would lead me to India for many of the ones in India had gone there to move away from the persecution of what ye ones refer to as the "Holy Lands" (I use this term only for definition of your vision of geography. There was also a race of human man birthed there. My mission was to lead me there to the places of India and I knew my path there would be long and tedious, for I was sent to bring the new teachings still to many countries, likewise to the shores of the great black waters in the North of the "Holy Lands". But before I would go I would give a last lesson and it was most carefully noted and scribed by my beloved friend, Judas of Ischarioth, who would go with me for most of my Earth journeys in that segment of my experience as outlined by Father unto me.

If man lives according to the Laws of The Creation, he lives rightly in truth, and this is the final goal: Everything human has to die in man, but everything creative has to rise and embrace The Creation.

Consider the universe as the place where The Creation lives in the infinite. Everything that man owns has its origin in The Creation, and therefore, it belongs to The Creation. Man shall change his entire spiritual life and perfect it, so that it may become One with The Creation. If man does a thing, he shall do it with the awareness of the presence of The Creation. But man shall never try to FORCE Truth unto another, for it would only be half its worth. First, man shall watch his own progress in spirit so that he creates in himself creative harmony. NO GREATER DARKNESS RULES IN MAN THAN IGNORANCE AND LACK OF WISDOM. NO GREATER FOLLY CAN FALL UPON A MAN THAN THAT HE "THINK" HIMSELF IN WISDOM AND IT BE NOT SO. THAT ONE IS SURELY A FOOL.

The victory of man consists, at its height, in destroying and removing each power opposing the creative, in order that the creative might prevail. Man must develop in himself the power to discern over good and evil, and correct perception of all things, so that he might be wise and fair and follow the Laws of The Creation. Perception is necessary as to what is "real" and what is "unreal", what is valuable and what is not of value, what is of The Creation and what is not of The Creation.

MAN MUST BECOME A UNIVERSAL ONENESS, SO THAT HE BECOMES ONE WITH THE CREATION FOR HE IS OF GOD AND CREATION. HE SHALL NEVER REACH TOTAL TRUTH UNTIL HE BECOMES ONE WITH GOD AND CREATION. ANY DEVIATION FROM THAT INTENT IS ERROR FOR MAN'S ULTIMATE DESTINY IS TO AGAIN BECOME ONE WITH GOD AND CREATION-HAVING SPLIT AWAY TO EXPERIENCE AND GROW IN STATURE AND WISDOM TO BE PERFECTION THAT HE MIGHT BE ALL WITHIN THE ONE.

You must make your lives equal to the Laws of The Creation, the laws of nature; so, live according to the Laws of The Creation. They are most simple to understand-In fact; man continually destroys himself and that good which resides within in attempting to hide

from the very Truth of the Laws of Creation. It is called, on thy place, conscience and knowledge of good and evil. Man has tried, but will never actually succeed at hiding from that very Truth. However, great might be perceived the suffering of man, the power of The Creation in man is immeasurably greater, to conquer all that is evil and put it away from him. If man lives only in his consciousness as man, he is inaccessibly far from his spirit and from Creation, and also from the Laws thereof. The greater man's dedication to the Laws of The Creation, the deeper shall be the peace he harbors within himself. Man's happiness consists in that he seek and find the Truth, so that he may gather thereof knowledge in the Truth and wisdom, and think and act in accord with that of Creation in balance and harmony one with the other.

It is only through the conditions of Human life that man can develop his creative powers in spirit and utilize them. All other planes of existence are without mortal density and format. Man must daily effort at unfolding his powers and capabilities, for only thereby does he obtain experience in their usage. Man rarely even touches the fringes of his powers and capabilities and once in deviation from The Creative and God Resource, ye cannot touch them for all else is given to destruction and tearing apart and away from The Creation and Source--the ONE.

Man will never be able to deal with, and laugh at, death as long he is not one with The Creation-or, for that matter, half-death. For fear of the unknown is in man, which only perfection is able to perceive, because it is all-knowing.

Instead of being guided by instincts and impulses, man should live in realization of wisdom and according to the Law and all else will fall into proper action. Man should listen to, and weigh carefully; the "nudges" that are given from Truth that his actions can be correct for the all-knowing resource within can surely guide you. Man clutters his mind with trash and trivia until he can no longer even hear the voice within.

Man shall not lose his way in the forest of limitations, but shall expand his spirit and seek and find knowledge and wisdom for that is the purpose of his sojourn in this matrix. This, so that he can become One with the All. He must come ever closer to his life's goal and recognize the creative principle in all things. A THOUSAND LIGHTS WILL HELP MAN ON HIS PATH, IF HE WATCHES AND FOLLOWS THEM. MAN WILL ATTAIN ALL HIS KNOWLEDGE AND WISDOM, IF HE SERIOUSLY STRIVES FOR PERFECTION. THE LAWS SERVE ALL. THOSE WHO ARE WILLING TO SEEK TRUTH AND WISDOM IN UNLIMITED MEASURE.

In as much as they master themselves in all possible directions and develop their spiritual powers higher and higher, and perfect themselves thereby.

MAN MUST CONSIDER NOT HIS PHYSICAL MISERY, BUT THE REALITY OF SPIRIT AND THE BEING OF CREATION. FOR IF MAN RECOGNIZES HIS

ONENESS WITH THE CREATION AND THE ABILITY WITHIN, HE CAN MOST EASILY CAST AWAY HIS PHYSICAL MISERY.

There is a steady restlessness within man, because he has a premonition that The Creation is his fate and destination. Man may be great, wise and good, but that is not sufficient, for he can constantly become greater and wiser and better; there may be NO limits to love and peace and joy, for the present has to be constantly exceeded.

Verily I say unto you, love that is unlimited, constant and infallible, is without conditions and pure, and in its fire all that is unclear and evil will be cleansed and burned. For such a love is the love of The Creation and of God and Its Laws, also to which man has been predestined since the beginning of all "time". Since this is his final goal, man must take care that this must and shall be so, for this is truly his destiny and he shall work and grow or "repeat his grades" until such time as this is accomplished. There are many levels of growth upon which to experience and learn truth. The human experience grants you the best lessons for challenge of thy Creative Spirit.

However, as yet man fails to understand the Wisdom of this teaching because it is adulterated everywhere on Earth. Even these words of Truth are taken and misinterpreted and tampered with; re-defined and placed in error for human gain, control and power over a brother. 'Tis but another lesson to be learned and a level to rise above. However, before the final cycle is played and the time of the Revelations is fulfilled, man must be given Truth upon which to feed his eternal soul that he can choose in wisdom. This cycle as ye recognize of it, is ending, beloved ones. And further, in thy words: "You haven't seen anything yet!" You allow ONES IN POWER to tell YOU what YOU may BELIEVE. HOW ABSURD! WE WITNESS YOU PEERING AT A THING AND THEN ALLOWING A POLITICIAN TO TELL YOU WHAT YOU HAVE JUST WITNESSED. AS ONE WITH THE CREATION AND GOD IS THAT NOT QUITE DEGRADING TO THY INTELLIGENCE? YET IT HAPPENS ALL DAY OF YOUR EVERY DAY. YE HAD BETTER BE WAKING UP AND SMELLING THE ROSES FOR YOU ARE IN FOR SOME VERY SHOCKING EXPERIENCES AND WITNESS. SOON!

Man has falsified Truth in all various arts and forms so that It has become diffused and unintelligible. Man has made a hodgepodge of unintelligible gibberish of a totally simplistic, understandable and attainable concept. So be it for in the final tally justice will prevail upon and within the perpetrators thereof.

Well, friends, two thousand or so years ago I sat with mine brethren and said: "In two thousand years it will be taught anew, unfalsified, when man has become reasonable and knowledgeable, and a new time and generation foretells great changes."

SO, BRETHERN OF THIS MOMENT, TWO THOUSAND YEARS HAVE PASSED, HAVE THEY NOT? THE TRUTH IS COMING FORTH AND YOU, DEAR MANKIND, ARE GOING TO WAKE UP AND COME INTO YOUR KNOWLEDGE IN SUCH A

MANNER THAT YE CAN NOT TURN OF IT AWAY FROM THEE! MARK THESE WORDS FOR UPON THEM I PLACE MINE SEAL OF TRUTH. AND THIS, IN THINE OWN TIME OF EXPERIENCE. SO BE IT.

From and with the stars man can make a great alternation and a great spiraling back unto Truth and amend his path. Therefore, a few special people, chosen ones, will be given anew my unfalsified teachings for they will again be given directly from myself unto them in directness as thy telephone circuits and then, in personal presence-for that time long predicted is upon you. I walk and talk constantly with these scribes that there be no error brought forth. I take time that ones within the circles are given grand opportunity to rectify past lessons unlearned and release of self-bindings that they may fill their mission. Some will be lost to the wayside but the many will give unto Creation and God their ALL. That requires courage beyond measure in this current world of evil intent. It requires the surrender of all material assets unto mine purpose although it does not mean they will be either taken or utilized. It means thy soul must willingly and joyously be able to release attachments thereto--for beloved ones, NAUGHT OF THY WORLD WILL PASS INTO THE REALMS OF THE HEAVENLY PLACES. EVEN THOSE WHOSE BODIES WILL ASCEND WILL BE SO CHANGED IN TRUTH THAT THEY WILL NOT BE OF THE SAME "CLOTH". THEY WILL BE CHANGED INTO "WHOLE CLOTH". Ye ones of mine must not fluctuate as the wind-chime to blow in whichever direction suits the passing breeze at any moment. Thy own needs will be set second if a task needs performance; each must and will do of his accepted job or he is not of ME. SO BE IT AND SELAH, FOR OPPORTUNITY TO FULFILL THY COMMITMENTS UNTO ME, MADE LONG PAST, AM I PAUSING IN THE PROGRAM TO ALLOW PARTICIPATION. AS WITH THE INSURANCE POLICY, YE MUST PURCHASE OF IT PRIOR TO THE NEED OF IT.

You ones must build of the facilities for My coming, for the dispersion of the promised final Word and for a survival time within the transition itself. Man is not prepared for the impact of such vibrational and frequency changes as those which will occur in the day of transition. Thy Earth is in rebirthing and, brethren, ye cannot hold thy breath under the water long enough to survive. Ye better take of mine hand and learn to "walk on the waters" if ye choose to prevail. So be it.

Two thousand years ago I told them to beware of false teachings, which because of their ignorance they might allow to arise, since some were greatly inclined to such-- and it came to be. Man thinks he grows wise and changes wisdom to suit his desires and convenience. I warned them to keep everything which I commanded them, lest they falsify My teachings. God and Creation backed My words that day for great lightning and thunder came down to underscore my intent. They were terrified and babbled their promises which were not long kept at any rate.

The Light was sent from above, that I might have transport. The time was day but the Light could be seen as brighter than the radiance of the sun. I ceased to speak to them that day that they might ponder My words and never be in the forgetting of Truth; but it prevailed not. I ascended within the Light for I AM OF THE LIGHT--I AM LIGHT. It then came about the ones who watched, a fog which swirled about as it was on the day of crucifixion; the thunder roared again as Mine Source stood by to receive Me and the Light ascended into the heavens. So be it! Strange? No! And further, I shall return in the same manner and most of you will stand and wring thy hands in chagrined realization. YE HAVE BEEN FED THE LIE SO LONG YE CAN NO LONGER EVEN REMEMBER OF THE TRUTH!

Dharma, go, child, 'tis enough for one bite to be chewed. One mouthful at a time and we shall finally get the children fed. I adore of thee and give My blessings unto you. I move to standby and await thy summons if ye can receive again this day. I shall monitor carefully for thy life is in upheaval=this property problem must be solved that we might move forward. The communication center of this portion of thy known universe is here and will be protected. Who will make the final step of security? So be it, I await. In total love and acceptance, I await.

I AM THAT I AM. I AM ONE WITH THE CREATION AND GOD--IN PERFECTION. WHO MIGHT YOU BE?

Is not the entire world at the point of mass warfare over the areas of the "middle East"?
